pared with 31,000,000 bushels last year.
Country acceptances were light again.
We feel that there has been a pretty general liquidation of long lines, and that we have had decline enough.
Corn—The best general rain for a month has fallen over the western corn belt since yesterday, and it continued raining in many sections to-day. The area benefited by such precipitation is undoubtedly quite extended. Prices felt the effect from the start of the session, and long lines were thrown over, causing a decline of nearly 2c per bushel. If the drought is really broken, it will be rather hard work to bull corn. The crop, however, has yet many vicissitudes to undergo, and in short selling care should be classes.

Will Ask Bids for Surplus Power. WINDSOR, Aug. 2.—After the lapse of a month since the public vote was taken, discussion of the scheme for Union Stock Yards, Toronto bringing Niagara power to the border was renewed at last night's meeting of the city council, with the result that the council decided to ask for bids for the purchase of surplus power under a 1500 horse-power contract, which may be marketed in Detroit.

Twice Tried to Die, DETROIT, Aug. 2.—Despondent because he had taken drink for the first time in his life and had been robbed of nearly all his money, Edward Matthews, aged 20, of Toronto, made two attempts late last night to commit suicide.
