

THE people of this country have spoken: They declare by their patronage of Dr. THOMAS' ELECTRIC OIL, that they believe it to be an article of genuine merit. Testimonials constantly pour in demonstrating its superlative efficacy, in a manner as pleasing to its proprietors as it must be convincing to those who read in the public prints those evidences of its popularity and genuine worth. Never was there a remedy which received ampler or more satisfactory endorsement; never was there one which better deserved it. It is A TRIED REMEDY. Experience has demonstrated that it not only relieves but eradicates the most obstinate Coughs, Sore Throat of a malignant type, Catarrh of long standing, Rheumatism, Neuralgia, Stiffness and Lameness of Back, Muscles and Joints, Piles and Kidney troubles, external hurts and sores, and other bodily troubles, as well as many of the disorders peculiar to Horses and Cattle. That it cures in every instance is not pretended, but that, if systematically used, and the malady susceptible of being remedied, it will remedy it, is a fact amply established.

**Entering the System** through the pores, when applied externally to relieve pain and inflammation, Dr. THOMAS' ELECTRIC OIL relaxes and soothes the stiffened, swollen and irritated Ligaments, or Rheumatic Joints, and promptly checks the pain. Taken internally, it remedies disorders of the Respiratory Organs, Bowels, Liver and Kidneys.

This matchless compound not only possesses remedial efficacy of the highest order, but, inasmuch as it contains no alcohol, its influence is not weakened by evaporation, which is the case with a great many oils of doubtful efficacy, which have an alcoholic basis.

Ease by day and repose by night are enjoyed by those who are wise enough to apply Dr. THOMAS' ELECTRIC OIL to their aching muscles and joints. A quantity easily held in the palm of the hand is often enough to relieve the most exquisite pain.

Those of the gentler sex who have experienced the pain and annoyance caused by Excoriated Nipples and Inflamed Breasts, can well appreciate the value of a remedy which removes the trouble. This is precisely what Dr. THOMAS' ELECTRIC OIL does.

**How it Sells.**—Mr. J. D. Burk, Amherstburg, writes: "Ship order for Dr. Thomas' Electric Oil at once. It is the best selling medicine we keep, and I am entirely out."

Mr. James Aylesworth, Tamworth, Ont., writes: "In my experience of over twenty-five years, I have not known a more popular remedy, or one that has stuck better."

Mr. D. Sullivan, Malcolm, Ont., writes: "I have been selling Dr. Thomas' Electric Oil for some years, and have no hesitation in saying that it has given better satisfaction than any other medicine I have ever sold. I consider it the only patent medicine that cures more than it is recommended to cure."

**Remarkable Cures.**—Mr. F. Burrows, of Wilkesport, writes that he was cured of a very dangerous case of Inflammation of the Lungs solely by the use of five bottles of Dr. Thomas' Electric Oil.

**It Never Fails.**—Mr. W. J. Corbett, Creemore, writes: "A few days ago a customer of mine came in with a Fore Throat, and his neck swelled to almost twice its usual size. In reply to my question as to what he was going to use for it, he said, 'I always use Dr. Thomas' Electric Oil'; I at once supplied him with a bottle and he took a dose then and there, and applied some externally; strange to relate, he felt relief before leaving the store, and stranger still, before night the swelling was almost entirely gone. I supplied Dr. Thomas' Electric Oil to a large number of parents during an epidemic of Diphtheria, and every one of them saved their children, while a number that I knew of lost theirs after using other remedies. These facts speak for themselves, and the consequence is that Dr. Thomas' Electric Oil is in constant demand all the year round."

**Fully Realized.**—Mr. James Cullen, Pool's Island, N. F., writes: "I have been watching the progress of Dr. Thomas' Electric Oil since its introduction to this place, and with much pleasure state that my anticipations of its success have been fully realized, it having cured me of Bronchitis and soreness of the nose; while not a few of my rheumatic neighbors (one old lady in particular) pronounce it to be the best article of its kind that has ever been brought before the public. Your medicine does not require any longer a sponsor, but if you wish me to act as such I shall be only too happy to have my name connected with your prosperous child."

Miss M. E. Varlack, Tortola, St. Thomas, writes: "Dr. Thomas' Electric Oil is an invaluable medicine. I tested it for earache, and since then for other pains and aches, and found great efficacy in
