

maintain a high state of moral discipline amongst the undergraduates. We are also bound to add that in our judgment there is evidence of a steady growth of public confidence in the College.

A part of the Diocese of Fredericton was visited the year by the Rev. Henry How, M. A., an agent specially appointed by the Board of Governors, who succeeded in raising about \$2,400 for the College. He also did good work in diffusing information, removing misapprehensions, and in inducing parents to send their boys to the collegiate school, and young men to enter the college. Already it is known that in October six or seven boys will go from this Diocese to the Academy, and an equal number of students will enter the University.

The Board of Governors, recognizing their times and the need for keeping as well abreast of the educational demands of the day as their funds will admit of, have taken several important steps during the year.

They have established a Faculty of Science with all the degrees appertaining thereto. They have, in addition to the present staff in connection therewith, appointed a "Tutor in Science;" and they have also taken steps towards providing an undergraduate course for ladies. We may also add, that although the matter has not as yet come before us formally as governors, we think it our duty to inform the Synod that the associated Alumni of the College have taken steps in the direction of the establishment of a girl's school—an educational adjunct to the true interests of the Church—which has been too long delayed; and the earnest spirit shown in the matter indicates that the reproach of having no church school for girls in the Maritime Provinces will, ere long, be wiped out.

Respectfully submitted,

J. ROY CAMPBELL, B. D.
R. T. CLINCH.

APPENDIX I.

REPORT OF THE WOMEN'S AID ASSOCIATION.

To the LORD BISHOP OF FREDERICTON AND MEMBERS OF THE DIOCESAN SYNOD.

The Committee of the Women's Aid Association for the Diocese of Fredericton present the following Report:

The annual meeting of the Association was held on Wednesday, June 4th, when reports from the various branches were read, and delegates from some of them were present.
