made for the same purpose, last year, to some  
Barclay Sound natives. and in the interim,  
I have made this date a prominent feature  
in my addresses to them. It is only a few  
years since the risk of facing these savage  
tribes was much more terrible than the danger  
of ship wreck, and it is therefore a source  
of satisfaction to remark this very desirable  
improvement for your information.
