

ORDINATION AT THE CATHEDRAL

Three Raised to Priesthood at Pontifical Mass on Sunday.

With deeply impressive ceremony Rev. Roy M. J. McDonald of St. John, Rev. A. A. LeBlanc of Buctouche and Rev. John Henry Milligan of Milltown, N. B., were elevated to the dignity of the priesthood in the Cathedral of the Immaculate Conception by His Lordship Bishop LeBlanc at the 11.30 mass on Sunday morning. It was the Feast of Pentecost and mass was pontifical. The altar was brilliant with lights and the red and gold vestments of the priests taking part added to the beauty of the picture. There was a very large congregation and special places in the Virgin's Chapel were reserved for the relatives of the young men ordained.

Assisting His Lordship were Rev. Dr. L. Guerin of St. Joseph's College, Memphig, where all the candidates for the priesthood made their preliminary college courses, as high priest; Rev. W. M. Duke, deacon; Rev. Dr. C. Curran of Holy Heart Seminary, Halifax, where the new priests studied theology, as sub-deacon; Rev. H. Ramage, Master of ceremonies; Rev. George Daly C. S. R., who was assistant to Father LeBlanc; Rev. Father McDonald of Holy Trinity Church, assistant to Father Roy McDonald; and Rev. S. Oram, assistant to Father Milligan. The Cathedral choir sang nicely under direction of Rev. A. P. Allen, with A. S. Godwin as organist. After the ceremony many people went to the vestry to receive the first blessing of the newly ordained.

Yesterday afternoon a great number of friends of Father McDonald and his parents called at their home 216 King street East to offer congratulations on the happy event of the day, and to greet the young priest. In the evening, at pontifical vespers another large congregation attended. The new priests were present. A procession of the children of Mary followed and the society was addressed by Father Daly.

Two Here For Present.

Fathers Milligan and LeBlanc left this morning, the former going to Milltown and the latter to Buctouche, where they will celebrate their first masses tomorrow. Rev. Roy McDonald celebrated his first mass in the Cathedral this morning at nine o'clock. He was assisted by Rev. Wm. M. Duke. There was a large congregation present at the ceremony.

His Lordship Bishop LeBlanc announced today that for the present Fathers McDonald and Milligan would be stationed at the Cathedral and Father LeBlanc in Moncton.

Among those who were present yesterday at the ordination ceremony were the father and mother of Father LeBlanc, and T. Milligan and W. Milligan, brothers of Father Milligan.

NO CHANGE IN COAL CRISIS

Not Thought Men and Owners Can be Got Together Before End of Week.

London, May 16.—(Canadian Associated Press)—No changes of importance took place during this week in the industrial situation created by the strike of the coal miners and other labor troubles.

Parliament has adjourned till the 25th, but the premier, who is reported to be ready to seize any occasion to bring the mine owners and men together again, will remain within easy reach of the industrial situation created by the strike of the coal miners and other labor troubles.

It is believed, however, that there is little prospect that the owners and miners, even under the most favorable conditions can be brought together before the end of the present week.

Herbert Smith, acting president of the miners' union, speaking Saturday, repeated that the miners executive were willing to negotiate an honorable peace, but were not prepared to recommend that the men resume work on a temporary settlement.

Reports from many quarters are that little difficulty has as yet been experienced in supplying coal for public service.

TOLSTOI—the peasant—and a mind content

THE great Tolstoi once asked this question of a peasant, plowing:

"If you knew you were to die tonight, how would you spend the rest of this day?"

The plowman thought for a moment and then answered, "I'd plow."

Can you match this peasant's frame of mind? Or, would the "Last Caller" find you worrying and scurrying in an eleventh-hour attempt to provide for the future of your family?

In all honesty, now—as a matter of dollars and cents to your family—could you afford to die tonight?
