FAMOUS GOLFERS VISIT CANADA

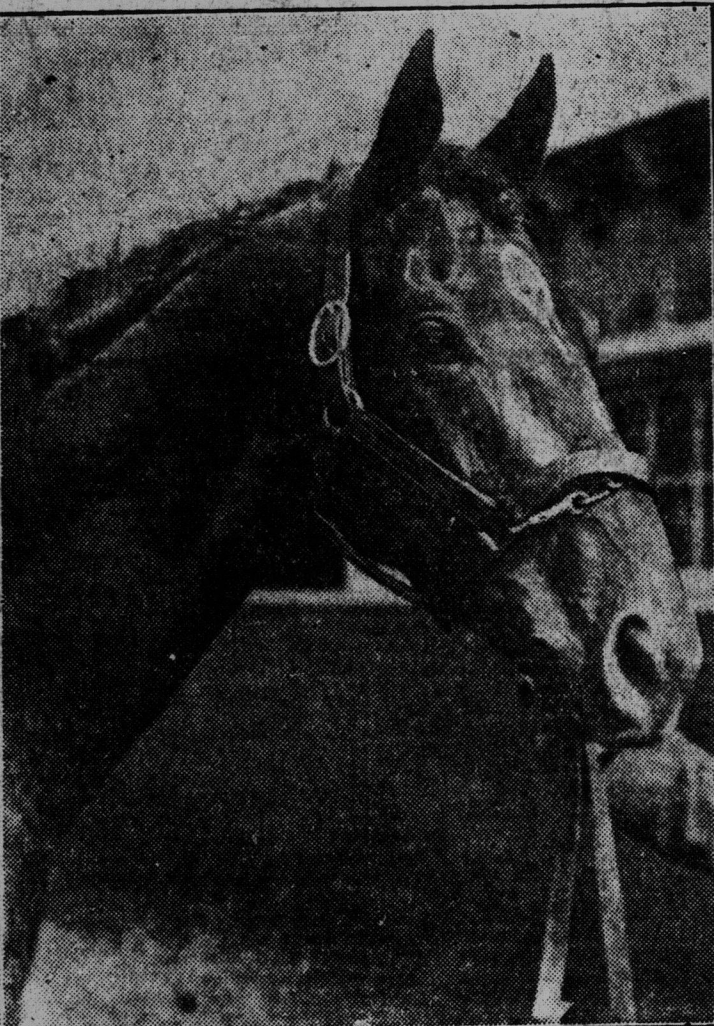

Edward Ray and Harry Vardon, two famous British golfers who finished first and second respectively in the recent United States open championship, played an exhibition at the Scarborough Club, Toronto, with George Cumming of Toronto Club and Albert Murray, of the Kanawaki Club, Montreal, on their visit to Toronto. They won the round with total score of 291. The figures, left to right, are: Murray, Ray, Cumming and Vardon.

CLOSE-UP STUDY OF "MAN-O-WAR"

The great three-year-old colt which met John P. Grier in a racing duel at Saratoga on Saturday, August 21, for the Travers Stakes. It was their first contest since Man O' War won the Acquistad prize, carrying 126 pounds, and this time the champion colt gave his rival a handicap of fourteen pounds. He carried 129, and Grier 145.

Dempsey to Fight at 187

Bentou Harbor, Mich., Aug. 23—Jack Dempsey, who will meet Billy Mike of St. Paul here on Labor Day, expects to go into the ring weighing 187 pounds, his weight when he won the title from Jess Willard. This he said at the conclusion of his workout yesterday. Last night he weighed 190.

JACK DEMPSEY, CHAMPION AS HE LOOKS TODAY

The great fighter posed specially at his training quarters at 57th street and 8th avenue, New York, where he has been training.

Fourteen months out of the ring apparently has done Dempsey little harm.

so far as condition goes, for his work yesterday gave the impression that he is boxing with the same speed and endurance that characterized his training for the Willard match.

Judge—"I don't think that women have always been vain; you know women were made before mirrors."

Fudge—"And they've been before them ever since."

THE RETURN OF LACROSSE

Canada's National game is fast returning to its place among summer sports and it has been given wide support in and around Toronto. The largest crowd since the Lacrosse days previous to the war was assembled at Scarborough Beach on Saturday, August 14, and witnessed a stirring and exciting struggle between the Maitlands of Toronto and Excelsiors of Beaumont, the latter being victors. Picture shows Beaumont's storming Maitland's goal.

LEROY CAUGHT; IS ARRESTED ON VESSEL AT RIO

Wanted for Murder in Trunk Mystery Case

Will Be Turned Over to Detroit Officers at New York — Woman's Nude and Mutilated Body Was Found in Trunk in June.

Rio Janeiro, Aug. 23—Eugene Leroy, wanted by the police of Detroit in connection with the murder of a woman, supposed to be his wife, was arrested on board the British freighter Dryden, which arrived here late yesterday.

Leroy was placed under arrest at the request of United States authorities here, and while the Dryden is in port will be guarded by four members of the maritime police. The ship will later proceed to Buenos Aires and from that port will sail for New York, where Leroy will be turned over to officers from Detroit.

New York, Aug. 23—The "trunk murder" mystery in connection with which Eugene Leroy was sought by detectives all over the United States and in Canada and Mexico, has ramifications which extend from New York to Michigan, Mississippi and Alabama.

A few minutes after an employe of the American Railway Express Company here had discovered the nude and mutilated body of a young woman in a trunk stored in the unclaimed baggage warehouse, police of New York and Detroit began following the trail of evidence which led to the identification of the victim as Mrs. Katherine Lou Jackson, of Sturgis, Miss., and the location of A. A. Tatum, whose name and a Detroit street address were found marked on the trunk which concealed the crime for more than a month.

The amendments to the so-called Miller Bill, which governed racing before the war, passed at the last session of the dominion parliament especially defined the Pari-mutuel as a legal form of betting, regulated the charges to be made and the profits which can be taken by the operators.

USED FOR FIRST TIME HERE AT THE MOOSEPATH RACES

Pari-mutuel machines will be introduced in the betting ring at the Maritime and Maine circuit races opening at Moosepath tomorrow. This will be the first time this method has been used at races in St. John.

The amendments to the so-called Miller Bill, which governed racing before the war, passed at the last session of the dominion parliament especially defined the Pari-mutuel as a legal form of betting, regulated the charges to be made and the profits which can be taken by the operators.

On the upper Canadian tracks where the big running meetings are staged the machines are now used practically exclusively and on the Maritime and Maine circuit the popularity of this form of betting has been steadily growing. The amount which was bet through the machines running up to thousands of dollars at the Fredericton meeting in the last week in July.

Operators are not entitled to retain anything but a percentage of the money bet and the odd cents. The operators are merely stake holders, not book-makers, and the public make the odds by the play or in other words the odds on which the largest number of tickets are sold at \$2 each or whatever rate is in vogue, is the favorite and the odds on the horse or "field" that wins as compared with the total sale on the heat with the commission take next.

BASEBALL

The Victors of Carleton wish to challenge the Duke Street Stars for a game to be played on the Queen square diamond, west end, at 7 o'clock this evening.

The Victors will meet the Stars at the west side ferry floats at 6.30. The Victors deny that the Maple Leafs are the Carleton minor champions and are ready to meet them for the honors.

Young John was late in attending Sunday school that particular Sunday and the minister inquired the cause.

"I was going fishing, but my father wouldn't let me," announced the lad.

"That's the right kind of a father to have. Did he tell you the reason why you should not go fishing on the Sabbath?"

"Yes, sir," replied John; "there wasn't bait enough for two."

The 1910 census showed that Jonesville, Ind., had 213 inhabitants. The 1920 census shows the same.

CRICKET TEAM TO TOUR U. S.

New York, Aug. 24—(By Canadian Press)—Revised dates for the United States tour of the Lancashire cricketers of England, coming over to play a series of matches with teams from New York, Philadelphia and other cities, have been announced. The itinerary of the British team has been made public by Edgar C. Challenger, chairman of the St. Johns Island Cricket and Tennis Club, who is in charge of arrangements for the international matches. A preliminary schedule was previously announced, but it was abandoned in order that the English cricketers might have an opportunity of seeing more of Uncle Sam's domain, instead of hurrying through their games and going back home.

The Lancashire team will arrive on the Paroma on August 27 or 28. Their New York date at Livingston, Staten Island, has been definitely fixed on Wednesday and Thursday, September 22 and 23. The New York Halifax Cup team will have had a day's game with the visitors on Wednesday September 8, at Haverford, Pa. A thoroughly representative team will be selected by the St. Johns Island Cricket and Tennis Club's committee for the match at Livingston, which is expected to be the banner of the entire series.

The complete schedule for the visitors, as revised is as follows: August 31 and September 1, Frankford C. C. at St. Martins, Philadelphia; September 3 and 4, Philadelphia C. C. at St. Martins, Philadelphia; September 5 and 7, Merion C. C. at Haverford, Pa.; September 8, New York Halifax Cup team at Haverford, Pa.; September 10, 11 and 13, All-Philadelphia at Haverford, Pa.; September 14 and 15, Germantown C. C. at Mannheim, Philadelphia; September 17, 18 and 20, All-Philadelphia at Mannheim, Philadelphia; September 22 and 23, New York at Livingston, Staten Island.

Olympic Bouts.

Antwerp, Aug. 23—All the three United States boxers who reached the finals in the boxing championships at the Olympic games won their bouts last night. They are Edward Egan, light heavyweight, 147 lbs., University of Pennsylvania, who defeated the University of Pennsylvania's light heavyweight, Samuel Moberg, of Padua, A. C., New York, a lightweight, and F. De Genero, of the Paulist A. C., New York, a flyweight.

Results of the boxing finals in which Canadians participated last night were: Flyweights—Walter of South Africa, beat Graham of Toronto, on points. Welterweights—Bert Schneider of Montreal beat Ireland of England in extra time on points.

Malin of England beat Pradhomme of London, Ont., on points. Both men gave a poor display.

Is Knocked Out, But Wins.

A peculiar accident happened at a boxing match in San Francisco recently. Jimmy Ryan and Johnny O'Neill were fighting and Johnny was getting far the worst of the exchanges. Just before the end of the fourth and final round O'Neill shot a dandy to the stomach and Jimmy went down like a shot. Billy Snailham, old-time fighter, was the referee and he started counting the knockout after the count of six the gong sounded ending the fight. Referee Snailham, with the sanction of two judges, awarded the verdict to Ryan, notwithstanding that he had been knocked out and was still out when the decision was being rendered. O'Neill had been beaten on points up to the final blow and the referee could not take into account the knockout after the final bell rang at the count of six.

Increased Cost of Fishing.

Vancouver, B. C., Aug. 23—Fishermen in British Columbia are faced with another and serious advance in the price of nets and net twine. A net, which has sold for \$800 up to the present time will henceforth command \$400. The scarcity of the basis of the twine flax is given as the cause for the increase. Many fishermen declare that they will be unable to follow their craft this fall on account of the lack of capital to finance high-priced nets, unless there is an improvement in the market for salted dog salmon in the Orient.

James Arthurs received a bad gash in his head yesterday afternoon when an automobile in which he was riding struck a telegraph pole at the corner of Canterbury and Princess streets. The car was driven by Frederick B. Hazen. First aid was given at Hawker's drug store and Mr. Arthurs was later taken to the hospital where his wound was dressed. He was finally able to go to his home.

INCREASE PRICE OF MONTREAL PAPER

Gazette Raises It to Meet Greatly Enlarged Cost of Production.

Montreal, Aug. 23—The Montreal Gazette announces that the paper will, on and after September 1, be sold at five cents, while the subscription price will be raised to \$12 a year.

The announcement states that the new price represents an advance to subscribers of about one-third the increased cost of publication and that the average percentage increase in costs has been per cent in the last six years.

Miss E. G. Cochrane was given a shower last evening at the home of Mrs. Frank Cheyne, Duke street, W. St. John, by the Canadian Girls Training and the boys of the Lull Street Baptist Sunday school. A shower was in honor of Miss Cochrane, approaching marriage. Refreshments were served by Mrs. Cheyne and Miss A. B. McKinney, and a very enjoyable evening was spent in games and dancing.
