FOR VOCATIONAL CLASS.

At this morning's council meeting Commissioner Thornton read a letter from the vocational training board asking for the use of the committee room in city hall for holding classes in sketching and reading working drawings under G. A. Duffy of the city engineer's staff. He said the board of assessors would require the room for about two weeks from Feb. 1 for hearing of tax inquiries so the matter was left in Commissioner Thornton's hands. Commissioner Daulton suggested an alternative scheme to obtain the use of one of the rooms in the county court building for the classes.

It was announced at local military headquarters this morning that a clasp will be issued to members of the Canadian Expeditionary Force who served in France between August 5, 1914, and midnight of November 22 and 23, 1914, when the Hun was turned back at the battle of the Marne. The clasp is in bronze with the dates engraved and is to be worn on the 1914 star, which has been issued to members serving in France up until December 31, 1914. EGAN-SKUSE.

A very pretty wedding took place at nine o'clock last night in the Church of St. John the Baptist when Rev. A. W. Meahan, D. D., united in marriage Miss Jessie Skuse of Bristol, England, and John Egan of Longford, Ireland. The groom, who is a veteran of the Fighting 25th Battalion, is now employed in the Department of Immigration and Colonization, and is well known throughout the maritime provinces. The bride was supported by Miss Collins of 270 Prince William street, and John Collins of 9 Chubb street acted as best man. After the marriage the young couple motored to the home of the bride's parents, where a dainty repast was served. The table were prettily decorated with pink and white roses. Among the numerous presents received was a substantial check and pass from the immigration and colonization department and a beautiful china set from the groom's fellow countrymen. The bride and groom and Mrs. Egan spent their honeymoon touring the maritime provinces. They have the best wishes of many friends.

Prohibition Matters

That he was well satisfied at the turn things had taken along the Maine border with regard to vigilance of the prohibition authorities was the expression of Rev. W. D. Wilson, chief prohibition inspector today on his return to the city from Moncton. It used to be, he said, that heavy stocks of liquor were brought through from Quebec and sent across the border at St. Leonard's by motor car, provided the inspectors on this side of the line were active. If chances were good on the New Brunswick side, the liquor was not shipped into Van Buren but was kept on this side and distributed. He had repeatedly urged the inspectors on the Maine frontier to help his inspectors, Rev. Mr. Wilson said, but it was only of very recent date that they had responded. From seizures which they had been making lately, however, he thought they were in dead earnest now in the enforcement of the prohibition enactment.

Speaking of shipments from Montreal via express, Rev. Mr. Wilson said that care must be exercised by those to whom the liquor was addressed or they would be liable. The law says that they cannot take delivery of the goods at the offices of the company but must have it delivered to their private residences by the company. As to some talk which had been made concerning people having to send to Montreal houses where wholesale houses had liquor for sale, the criticism being made as to the money going out of the city when it could be left here, Mr. Wilson said that the local act said that no liquor could be bought here for use as a beverage though it could be imported between provinces by reason of the dominion enactment.

TRAVELERS' AID SEEKS GRANT

Request of \$1,000 to Help Good Work — Some Facts Told Commissioners.

A delegation from the Traveler's Aid waited on the city council this morning and asked for a grant of \$1,000. The council promised consideration. The delegation consisted of Mrs. John A. McAvity, president; Mrs. Jas. F. Robertson, vice-president, and Mrs. R. A. Jamieson, secretary. Mrs. Jamieson outlined the activities of the workers, Miss Hoyt and Miss Berry, and gave figures of cases handled in the last year, including 2,991 trains and ninety-one boats met, 1,919 people helped at the boats and trains, 1,620 given temporary shelter in the Union street home, twelve in the Y. W. C. A., 396 in hotels and ninety-six in the homes of friends, and employment found for fifty-three girls.

She spoke of several special cases treated, including one runaway girl returned to her home and another girl who was rescued from the hands of an unscrupulous person and sent to friends in Fredericton.

She said they kept a fund for emergency loans, which were almost invariably returned. The expense in the last year was \$1,200 more than revenue.

Mrs. McAvity said a provincial grant of \$1,000 was also asked for. She said with the assistance of the Y. W. C. A. a rooming directory of safe hotels, etc., had been made up and was available for all travelers.

Sparling, general staff officer, left this afternoon for Sussex to attend a meeting for the re-organization of the 74th militia regiment there. The re-organization of the various militia units throughout the province is being carried on and the work is progressing favorably.

After the meeting in Sussex the general and Colonel Sparling will go to Chatham for a meeting in connection with the re-organization of the 73rd Regiment with headquarters there. Captain H. S. Murray, district record officer for this district, is to be on the Maritime Express this evening for Chatham to attend that meeting. The commanding officers for the various units will be selected at the meetings.

ASKS CITY COUNCIL TO PURCHASE THE ODDFELLOWS' HALL

At this morning's committee meeting of the common council, a communication from Dr. F. E. Emery, chairman of the Vocational Board, was read, asking the council to take up the question of acquiring a building in the city for central headquarters and for ordinary courses. He said that the attendance at the classes demonstrated the necessity for this building and said the Oddfellows' Hall, which was a suitable location and could be adapted to the purpose, could be purchased for \$28,000 to \$30,000 and the lot adjoining leased for ninety-nine years. The council decided to notify the chairman that the council would hear a delegation from the board with regard to the matter.

IN THE COURTS

In the case of Baird vs. Jones before Chief Justice Hazen, application for the commitment of the defendant for contempt for breach of an injunction order issued by Mr. Justice Grimmer in February, 1919, was made by D. Mullin, K. C., for the plaintiff, J. B. M. Baxter appeared for the defendant. Affidavits were read by counsel on both sides and Mr. Mullin made application for permission to cross-examine the defendant on his affidavit. The matter was set over to Wednesday, 28th, at 11 a. m.

In the chancery court this morning before Judge Grimmer in the case of Shannon vs. Shannon, et al., application was made to dissolve an injunction order issued by His Honor some time ago restraining W. Smith, one of the defendants, from cutting lumber on a lot of land in the parish of Wicklow, Carleton county. Jonathan Shannon contends that the land had been deeded by him to his brother Robert, who, he says, agreed to reconvey to Jonathan but instead conveyed to the other defendants. Affidavits were read for the defence and contra-affidavits for the plaintiff. His Honor granted an order dissolving the injunction order. W. P. Jones appeared for the plaintiff, J. B. M. Baxter, K. C., and M. L. Hayward for the defendants.
