

TWENTY-FIRST ANNUAL REPORT
OF THE
FRUIT GROWERS' ASSOCIATION OF ONTARIO,
1889.

To the Hon. Charles Drury, Minister of Agriculture:

SIR,—I have the honor of submitting to you the Twenty-first Annual Report of the Fruit Growers' Association of Ontario, in which you will find a carefully prepared report of the important papers and discussions on fruit culture, floriculture and forestry, which were taken up at our Winter Meeting in the City of Hamilton, and our Summer Meeting in the Town of Seaforth. It also contains an account of the Annual Meeting at Windsor, the president's annual address, and the officers for the year 1890.

You will be pleased to find that the plans proposed for the increased usefulness of our Association are being carried out. Arrangements have been made to send out eleven of our directors to speak at Farmers' Institutes on the subjects connected with fruit culture and forestry, and it is hoped that in this way this important industry will receive a real encouragement.

The *Canadian Horticulturist* has been enlarged and improved, and during the coming fruit season it is proposed to send out a supplement in the shape of a weekly bulletin, giving reports of both home and foreign markets.

Hoping that our work may receive your hearty approval,

I am, Sir,

Your obedient servant,

L. WOOLVERTON,
Secretary.

Grimsby, Ont., Dec., 1889.
