

formed the duties assigned to them, and have been assiduous in furthering the interests of the Order.

2. The Committee are sorry to learn that two lodges have had to amalgamate with others, but trust that it has been for the welfare of the Order in this jurisdiction. We recommend that the action of the Grand Chancellor in this matter be approved.

3. Your Committee are pleased to note the addition of another lodge to our number during the past year, and welcome the Representatives of No. 20 to our midst. We recommend the approval of the action of the Grand Chancellor in regard to the appointment of the Deputy for this Lodge.

4. Your Committee would suggest that some action be taken at this Session whereby more new lodges could be started and old ones revived and kept up, and would recommend the appointment of a Special Committee to give this matter due consideration.

5. The Committee desire to draw the attention of the Grand Lodge to the remarks of the Grand Keeper of Records and Seal, under the heading of "Condition of the Order," and, with him, regret the lack of progress made during the past years of our existence. Had the members of the Order exercised one-half the zeal and perseverance that he has done, our strength would have been considerably increased; and we would ask every member of this Grand Lodge to weigh well his remarks and act up to them. Let each one of us adopt his motto, "Be up and doing."

6. Having referred to the "Amalgamation of Lodges" in the Grand Chancellor's report, we would ask to be relieved from any further consideration of the subject.

7. Your Committee would recommend that in regard to Huron Lodge No. 10, the Grand Chancellor elect, or some officer appointed by him, should visit it and other defunct lodges during the ensuing term, and endeavour to resuscitate them on such conditions as may be deemed advisable by the executive officers of this Grand Lodge.

8. Regarding Algoma and Crusader Lodges, your Committee would recommend that some definite action be taken, and that the Grand Keeper of Records and Seal be empowered to take such steps towards reviving them or recovering their effects as he may deem best.

9. In reference to "New Lodge," we have already reported on the subject in reviewing the report of the Grand Chancellor, and have nothing new to offer on the subject, except to recommend that the thanks of this Grand Lodge be tendered to Brothers King and Thompson for the services rendered by them in furthering the institution of the Lodge.
