Sir,—

I have been requested by the members of the Coldwater Band residing near Merritt, B.C., to make application to the Department for a further distribution of timber moneys in order that the members may be able to provide themselves with the necessary seed grain for their spring operations.

I would appreciate it very much, if there is any money available for distribution at the present time, that the same be forwarded to me at as early a date as possible after the 31st of March, in order that the Indians may have funds on hand before it is too late for spring work.

Yours obediently,

H. F. Helmsing

Indian Agent.
