WILL CLOSE BARS

The Demozelle Nearly Run Down by Steamer in Boston Harbor.

A collision between the Leyland line steamship Winifredian and the little British schooner Demozelle of St. John, connected with four of the leading hotels in this city will be closed tomornow marking for her berth at Grand Junction docks. When just above buoy C in the narrowest part of the channel, the officers saw the Demozelle on the weather side. Without a moment's warning the schooner tacked across the liner's bow. The officers jumped to the bridge, telegraphed and signalled to the engine room full speed astern. Before the momentum of the big vessel could be checked the schooner again tacked across her bow and cleared the liner by only a few inches. Every one on board the steamer expected to see the schooner expected to see the schooner expected to see the schooner and the dame of the schooner and the dame of the schooner and the dame of the schooner again tacked across her bow and cleared the liner by only a few inches. Every one on board the steamer expected to see the schooner expected to see the schooner
