CAMPBELLTON PEOPLE APPRECIATE IT

Special to The Standard.

Campbellton, Feb. 4—When the new timetable on the I. C. R. went into effect recently the suburban train which leaves here every evening at 9 o'clock was taken off the schedule. As the removal of the train caused much inconvenience great dissatisfaction was expressed. D. A. Stewart, M. L. A., one of the county representatives in the provincial legislature interested himself in the matter and went to Moncton where he interviewed General Supt. McNeeley, of the government railways. The latter promised to do all possible in the matter. Tonight as a result of Mr. Stewart's efforts the suburban was restored to the schedule and residents of Campbellton and neighboring points are much pleased at the outcome and loud in their appreciation of Mr. Stewart's efforts and interest in the matter.

Spent Countless Nights Unable to Rest or Sleep

Was Run Down and in Terribly Nervous Condition—Using Dr. Chase's Nerve Food Gained Regularly.

In this letter is told once more the story which comes from many thousands of women. It is the story of exhausted nerves, of a run-down system and of all the accompanying misery of sleeplessness, headaches and loss of energy and vigor.

But there is a silver lining to this cloud. There is the light of new hope and courage which comes with the use of Dr. Chase's Nerve Food.

This letter is so representative of the kind we are daily receiving that you can judge from it what you might expect from this treatment under similar circumstances.

Mrs. Conrad Schmidt, R. R. No. 1, Milverton, Ont., writes: "Two years ago last spring I was run down, had nervous prostration, and was in a terribly nervous condition. I could not sleep or eat. Could scarcely count the nights that I passed without sleep, and if I did eat, had sick headaches and vociting spells. My limbs would swell so badly that it hurt me to walk. I would jump up in bed, awakened by bad dreams; in fact, I was so bad I thought I could not live, and started to use Dr. Chase's Nerve Food without much hope.

"It was not long before I began to improve under this treatment, and I can truthfully say it has done me a world of good. It took some time to get the nervous system restored, but I kept right on using the Nerve Food regularly, and gradually gained in health and strength. I have a fine baby boy now. He weighed 12 lbs. at birth, and though my friends were anxious after the condition I was in, I got over that fine, and now weigh 120 lbs. Before using the Nerve Food I was a mere skeleton."

You are not asked to expect miracles from Dr. Chase's Nerve Food. But if you are willing to feed back your exhausted nerves to health and strength you can depend absolutely on this great food cure to produce the desired results. 50c. a box, 6 for $2.50, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

THE WORLD'S CHAMPION ATHLETES USE BEER

JESS WILLARD

"I drink a glass of Lager Beer occasionally and I believe the malted Beverage is restful if used moderately," and then he added: "There is more bad liquor sold in Kansas than any other state in the Union,"—and he ought to know for he himself is from Kansas, a Prohibition State.

ALFRED SHRUBB.

Alfred Shrubb, the holder of all middle distance amateur records, and the most famous runner that the world has ever produced, now coach of Harcard University distance runners, says:

"During my running career I always drank beer, and since, as a trainer, I have never prohibited its use in moderation by the man I handle.

"In my opinion any men in training would be benefitted by a glass of beer occasionally."

BOB DIBBLE.

Bob Dibble, for three successive years amateur champion sculler of America, and one of the finest speciments of Canadian manhood in the overseas army, says:

"I have always taken a bottle while in my course of training, and have found it to be a big advantage to me."

Almost all great sportsmen have used Beer, and the overwhelming majority have trained one it.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

If peevish, feverish and sick, give "California Syrup of Figs."

Mother Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels needs a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious, "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."
