

FINANCIAL WORLD

MORE LIQUIDATION
PENDING IN C. P. R.

Market May Be Approaching
Period of Stability, But Future
Uncertain.

(McDUGALL & COWANS.)
New York, Sept. 19.—There are
some indications suggesting that the
market is approaching a period of sta-
bility. At such times finding support
the bears retire. Bullies follow. We
note some signs also suggesting this
tendency. The easing in money is
taken to mean that the acute condition
there may be passing and that irregu-
lar improvement may be seen in money
and stock markets. We still suggest
the trading attitude which it followed
has put active operators long with
stop order protection. There seems to
be no reason for ignoring profits of
reasonable extent on rallies. Removal
of uncertainties which have been un-
dermining sentiment however drastic
the fact should clear the atmosphere.
American Smelting and Mexican Pe-
troleum are expected to work higher.
Good buying is noted in U. S. Steel.
More liquidation is pending in C. P. R.
