Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become fixed, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.

READ THIS.

ST. JOHN, N. B., July 23, 1849.

Dear Madam,—In justice to you, and that the afflicted may know the great benefit derived from the use of your justly Celebrated Dinner Pills, I send you the following statement:—

My wife was afflicted with the Dyspepsia for one year, and Piles many years, and tried various remedies that were recommended, but nothing did good until a friend told her to try your Pills, which she did, and after taking one box found so much relief that she continued to take them for four months, and now she is really in as good health as she ever was. And for myself, I had a cough for four years, and constant pain in my breast; I was also troubled with hemorrhage for upwards of nine months. I tried almost everything, but no cure was effected, until I used your Pills, which I have been taking for three months, and I have neither pain nor cough, and enjoy as good health as ever I did, and allow me with due respect to remain

Yours, very thankfully,

A STORY OF DOOM! (almost.)

CANTO I.

The coffin-maker bent low at his work,
And, coughing, cast his eyes upon his bench,
A spasm came, which gave his frame a jerk,
And shook his head about with fearful wrench;
The blood skipped from his ears and sought the ground;
The Undertaker deemed his lungs unsound.

CANTO II.

It was a dull and dismal afternoon,
The ice had melted in the Skating Rink,
And lovers sighed to walk beneath the moon,
And topers paused at Bars to get a drink;
The coffin-maker hummed an air, then stood,
And drove a nail deep in the coffin-wood.

CANTO III.

Another spasm came, then down he fell,
And sought the pitch-pine floor, quite ill at ease,
And listened to the knell of deep-mouthed bell,
His gold hair fluttering madly in the breeze;
But *Hunt's Invigorator* cured the pain,
And *Ayer's Vigor* brought in the hair again.

CANTO IV.

These two great Cures he at the Chemist's bought,
The Pharmaceutist's, King street, twenty-four,
Where Drugs and Medicines are often sought
By iron-mongers when life is nearly o'er;
And coffin makers, when they're coughin' loud,
Take *Tracheal* Drops, and thus postpone the shroud.
