	sity of opinion among medical men, as to the true character of this discuse. Some locating it in the fibrous of muscular tissues of the system, and others viewing it as an acute nervous dis- eves: but it is now generally admitted to oc: disease arising from a poison circulating it, the blood, and further it is ad itted that Rheuma- tism can never be thoroughly cured without ex- terminating such poisonous matters from the blood, by a constitutional internal remedy. We feel confident that no c will feel better satisfic, and rejoice more, than the conscientionus physi- cian, who has found out that cure for this stab- born disease has been discovered.
