To the numerous inquiries in reference to this work, the Book Steward has pleasure in stating that the manuscript has been placed in his hands and arrangements have been made for its publication. It will be issued as speed-ily as consistent with the care necessary to insure correctness in a work so valuable. We have looked over the thirteen hundred pages of foolscap manuscript, which have been pre pared with great pains, and we believe the Author has been careful to secure the most minute accuracy. It dates from the beginning of Methodism in several Provinces of the Dominion and Newfoundland, and in-cludes the Conferences of 1880. It will be the most comprehensive and exhaustive work on Canadian Methodism ever issued, and must prove invaluable as a work of reference, and a necessity, in the library of every Minis er and every Layman connected with

The publisher hopes to have it ready for delivery to subscribers early in the new year. WILLIAM BRIGGS. Book-Steward.
