Lethbridge wins Basketball Tourney

The University of Lethbridge Proghorns won the CIAU Eastern Regional Finals by beating the Brock University Badgers 80-66 in last Saturday's action.

The tournament was marred before it even started by the pullout of AUSA champs St. Mary's because of a controversy over an ineligible player. It was the third time in three weeks that a St. Mary's team has been nailed for using ineligible players.

In the semi-final game, UNB (who was in the tournament for no other reason than it was the host) played the gracious host by losing to the Brock Badgers 98-83.

The final game was closer than the final score indicates. It was not until the final minutes of the game did the Proghorns start to pull away.

Early in the second half the Proghorns were down by eight but by controlling the boards and using the break were able to come back to win.

The 7th ranked Proghorns were led by Jerome Ell and Ken McMurray who scored 20 and 19 points respectively.

Top scorers for Brock were Kelly Grace with 19 and Dave Fast with 16.

The Friday night Red Raiders games was the final game for Raider regulars Chris McCabe and Don McCormick. McCabe lead the team throughout the game before coming out of the game for the final time with a minute and a half left to go. He got a warm round of applause from the sparse crowd of a little more than 300.

All students considering transferring faculties for September 1984, should apply to do so by completing a 'Transfer Request' form available at the Registrar's Office by 31 March, 1984.

Submitting the requests by this date is particularly important for transfers to programs with limited enrolment i.e. Engineering, Computer Science, Forest Engineering and Nursing.
