

Fort Quappell

Sep 9/92

Sir

I have the honor to acknowledge
 receipt of your letter asking
 why spectacles were purchased
 for Indians.

In reply I beg to state that Dr Good,
 was engaged to come up to see
 Indians requiring the services
 of a specialist in diseases of
 the eyes and these spectacles
 were procured upon his order.

I have

Yours
 Sep 11 11 (Regina) M.D.

R. W. Wright
