

intended to write you ¹⁸⁸¹⁷
long ago but we all
went hunting in Virginia
and letter writing was
impossible no matter
how much one wanted
to write. Mamma
and I both hope to
see you in New York

very soon again and I do
hope you come before we go
abroad. We have engaged
passages for the 26th of

February.

With many thanks for your

best wishes for Christmas

Very sincerely yours

Thursday
