On Train,
October 27, 1925.

Dear Mr. Ross:

Just received yours of the 14th today. The advertisement which you enclosed is just a series of brazen falsehoods. I have talked tariff on coal throughout the length and breadth of Canada. The statement made by the Liberal coal owner, to whom you refer, is nothing but a gross falsehood. I cannot conceive of men making statements of this kind.

Yours sincerely,

J. A. Ross, Esq.,
