Re-Proposed New Road to proposed
Ferry Landing, Mill Bay through

Sir:-

We were sorry to learn from yours of the 15th ultimo, that sickness in the home of the local Indian Agent was responsible for the delay in the completion of negotiations in connection with the above matter.

However, as we will be commencing work on this project at an early date, we will be glad of an early settlement of this matter.

Yours obediently,

J. Philip

Deputy Minister and
Public Works Engineer.
