(e) New Principal's House . . . . .	30,000
(f) Changes in present Buildings, Plumbing, etc. . . . .	100,000
	<hr/>
	\$500,000
	<hr/>
Total	\$1,500,000

Such is the plan of the Governors for restoring to Upper Canada College the full pre-eminence which once was hers. It will not only make her the first school in Canada; it will set her up as a standard the influence of which will be felt in primary and secondary education throughout the Dominion and beyond. To her friends and to her "Old Boys" a great opportunity is given.
