DRAW GAME

The Chatham cricket club journeyed to Detroit yesterday to play the D. A. C. cricketers. The game resulted in a draw. Detroit declared their innings closed at 100 runs for eight wickets. Chatham had only about an hour to bat and, recognizing the uselessness of trying to win in that time played for a draw. At five o'clock, which was the time agreed upon to draw stumps, eight wickets had fallen for 44 runs. The game, therefore, resulted in a draw. The game was a most unsatisfactory one in several ways. A baseball game was scheduled to be played on the grounds at five p. m. so stumps had to be drawn early, and as play did not start until nearly noon, there was only about four hours actual play. An unfortunate controversy arose through a decision of the Detroit umpire, who took exception to Aitken's bowling and "no-balled" his fast ones. Furthermore, the D. A. C. elated by the small scoring for Chatham, wanted to discontinue the game and change the draw into a probable victory for themselves. This Chatham, most properly, objected to.

DISTRICT DOINGS

7TH CON., DOVER.

The crops in this section are looking fine, and the farmers are greatly encouraged by the prospects of a good harvest. Quite a number of the members of Court Pride of Dover, No. 8765, A. O. F., attended service at Holy Trinity Church, Chatham, last Sunday evening with Court Hope of Ontario, No. 6244, and Court Unity, No. 6900, on the occasion of their annual church service, and listened to an excellent fraternal sermon. The pastor, Rev. J. W. Hodgins, in his discourse, "hewed to the line and let the chips fall where they may."

Tuesday evening, June 6th, was quarter night with Court Pride, and by invitation 22 attended at the Chatham Court, and the business being put through, the social part came on, pipes and tobacco were served by Geo. Kreiger, in charge of the "fraternal weed" department, progressive euchre was given, P. Conroy taking 1st prize, a beautiful briar pipe, while Jas. E. Payne took 2nd prize, a tobacco pouch. The Chatham boys played well but failed to land any prizes. The drive through the storm, it is said, somewhat weakened their nerves. Better luck next time, boys. W. J. Roy was elected delegate to the High Court meeting in August, while Andrew Brown was elected alternate. Refreshments in abundance were served to the brothers, ample justice being done to the edibles.

One of Court Pride's members taken unto himself a wife to-day, Wednesday.

THE ROYAL WEDDING.

Marriage of Princess Margaret of Connaught to Swedish Prince.

Windsor, Eng. June 16.—Windsor was in holiday attire yesterday for the wedding of Princess Margaret of Connaught, eldest daughter of the Duke of Connaught, to Prince Gustavus Adolphus, eldest son of Crown Prince Gustavus of Sweden, all the arrangements for which were made under the personal direction of King Edward. St. George's Chapel was a blaze of uniforms and decorations, ladies in full court dress with coronets and tiaras and wearing many jewels.

As Elgar's "Imperial March" was played on the organ, the bride, on the arm of her father, passed from the castle to the chapel. The Archbishop of Canterbury, assisted by the Bishop of Oxford and others, read the simple service of the Church of England.

After the ceremony the members of the Royal families returned to the castle, where luncheon was served. Rejoicing in Sweden.
Christiania, June 16.—Flags were flying yesterday from all the public and many other buildings in Christiania in honor of the wedding at Windsor of Princess Gustavus Adolphus to Princess Margaret of Connaught.

The Norway Stirling has decided to send its congratulations to King Oscar and the bridal couple, addressing King Oscar as King of Sweden and Prince Gustavus Adolphus as Prince of Sweden.

LOVE THAT'S TRUE IS LASTING.

Married When Minors, Parted By Law, But United Once More.

Montreal, June 16.—On June 20, 1903, a marriage was solemnized at the St. Henri Methodist Church by Rev. G. G. Huxtable, between Miss Eva M. Harris, daughter of the late Samuel Harris of Montreal, and Dr. W. D. Sutherland of Sherbrooke street. This marriage, which was a love match, took place with the consent of the bride's mother, but without that of Mrs. Sutherland, who was away from Montreal at the time.

The contracting parties were both minors, and an annullment was granted on the application of Mrs. Sutherland on the ground that her son was a minor when he married without her consent. Before the legal proceedings came to an end a child had been born, Mr. and Mrs. Harris were both dead, and Mr. and Mrs. Herbert Horsfall of Lachine, and Sutherland went west until he attained his majority a short time ago. On Monday last he and his bride were again married by the Rev. W. S. Barnes.

FLED PENNILESS.

Willoughby Middleton Was Unable to Fleat Segus Bonds.

New York, June 16.—Willoughby Middleton, whose schemes for the manipulation of White-Plains real estate were calculated to produce \$1,000,000, fled almost penniless.

This fact was developed yesterday when those investigating his affairs learned that he had not yet got his hands on the money he was after. His bonds, so far as could be learned, were never posted. They were worthless paper now.

It is asserted that he had laid all the plans for a gigantic swindle. Having himself into the Presidency of the New York Realty Company, he used his position to lay an underground scheme, and then, when his plans were repudiated, he fled fearlessly.

The Waterways Commission.
Toronto, June 16.—After a two days' session at the King Edward the international Waterways Commission, which was organized by the Government of the United States, met yesterday.

On July 11 they will hear the Montreal City Council's protest against the lowering of the waters of the St. Lawrence. They also decided that a dam should be built at the foot of Lake Erie.

When His Excellency was seated the Lord Bishop of Quebec read from an illuminated address words of welcome from the synod, to which His Excellency made a reply.

Steve Company Punished.
Toronto, June 16.—Judge Anglin, yesterday ordered that the Guelph Foundry Co. should destroy all "Grand Jact" ranges in their possession or under their control, as well as all parts and patterns of them. On May 31, last year, the Buck Stove Co. secured a judgment against the Guelph Foundry Co. for an infringement of their patent "Happy Thought" stove. The plaintiff will accept this as sufficient punishment.

Toronto's First Chinese Baby.
