Ontario Riding Plow

This plow has a lighter draft than any other plow doing the same work.

It is the simplest plow made and can be run by any man, woman, boy or girl who knows how to manage a team.

We make single and double Riding Plows with mould-boards adapted for any soil and cutting any width of furrow.

For Manitoba, or for use in light mucky soil any where, we make a special plow cutting an unusual wide furrow and with a rear high lift.
