in the 20th year of his age, and on April 12th, 1868, Frederick George, in the 26th year of his age, both sons of Alvin Farwell, Esq.

"Prepare to meet thy God." Our cherished ones have fallen In their early life and bloom, And our hearts with woe were laden, As we bore them to the tomb. our fondest hopes have perished And sorrow deep and sore, In bleeding hearts is nourished, For those we see no more.

Their loving voice is silenced; We hear their tones no more-Their happy smile, ah! never Can cheer us as before. We cannot wake their slumbers Their loving eye or smile No more shall beam upon us With love and joy the while.

We miss their happy presence Through many a weary day; We miss them at the altar When we kneel around to pray Yet we would no more recall them To this life of toll and pain; To the struggle and the anguish Of a bed of death again.

They're gone from care and sorrow, Which crowd our earthly way, And from their peaceful slumber Have 'waked in endless day. But alas! the fair and youthful-For in manhood's prime they stood-Have passed in the spring so hopeful, To the grave's dark solitude

Flowers too frail and lovely To flourish here below: Pure angel hands have borne them Where plants immortal grow. Yet bloomed awhile among us, Enough to gain our love, And make us feel more lonely To see them borne above.

Our hearts are sad and lonely: Our home is lonely now; But we know a crown of glory Is resting on their brow. They have gone, all white and stainless, From the touch of mortal clay, And we know they are rejoicing In the light of endless day.

They lived to throw upon us The brightness of their souls, To see that brightness flown. Vain are the tears shed by us. Which memory retains, We have sweet comfort, knowing For them to die was gain

Yet like a star that glimmers Far in the azure sky, They beckon us to follow Heaven's gates received their spirits Their clay lies 'neath the sod, May we obey the summons-"Prepare to meet thy God."

From the kind friends we received a very warm reception on our arrival after Conference. Soon after a parsonage parlor carpet was furnished by the ladies of the circuit. In October we held an interesting Field Meeting, at which the Chairman of the District gave us timely assistance. That meeting was followed by special services in the village of Newboro, where God was present in mighty power to convict and convert immortal souls—where we had some most melting seasons, as the children of prayliberty of the sons of God." In the midst of the latter, the Circuit gave us a most agreeable surprise, just before Christmas, pre-senting the minister and his wife a congratulatory address, through Col. It is a little more than forty years since I was appointed to the Whitby Circuit. The Circuit embraced seven townships; I added two more. We had eighteen appointments that we attended once in two weeks. We had no chapels of our own. We held our quarterly meetings in a Baptist chapel. We found one hundred white members and two hundred Indians that were members of our Church. We preached to the latter by an interpreter. We had to pay at the rate of seven dollars per barrel
