

## JANUARY, 1918

This is the month of new resolutions ; of new efforts. It is the time when the Sunday School plans afresh for the great work it is called upon to do. This is the period of starting out anew with the ideas best fitted to bring in and reach the life of the community.

Had you planned to use

### THE CRADLE ROLL ?

In many ways, this is the most important department in the Sunday School. It is the surest way of getting the children into the school at an early age. It reaches parents who have grown careless and indifferent. Those who have never belonged to the Church are reached **through the Cradle Roll** and workers are often brought into the service of the Church. **Its influence is immeasurable !**
