for Warehouses, Factories and Employees' Homes, are rapidly constructed, handsome in appearance, permanent, and very low in first and upkeep cost, when the foundation for the stucco is

BISHOPRIC STUCCO BOARD

This modern building material is made of kiln-dried lath, bevel edged, imbedded under terrific pressure in toughened Asphalt-Mastic, surfaced on the other side with sized sulphite fibre board. It comes in sheets 4 feet wide and 4 feet to 25 feet long, ready to be nailed direct to the studding, lath side out, as a foundation for stucco outside or plaster inside the building. The dovetailed spaces between the lath make perfect keys, and the stucco never cracks or falls away.

"If plaster is not required, Bishopric Stucco Board can be used, applying the lath side to the studding—fibre board will then prove an excellent decorative surface for any class of decoration."

For samples and full information, write Bishopric Wall Board Co., Ltd. 529P Bank St., Ottawa, Ont.

LIFT YOUR CORNS OFF WITH FINGERS

Tells How to Loosen a Tender Corn or Callus so it Lifts Out Without Pain.

A noted Cincinnati chemist discovered a new ether compound and called it Freezone, and it now can be had in tiny bottles as here shown for a few cents from any drug store.

You simply apply a few drops of Freezone upon a tender corn or painful callus and instantly the soreness disappears, then shortly you will find the corn or callus so loose that you can just lift it off with the fingers.

No pain, not a bit of soreness, either when applying Freezone or afterwards, and it doesn't even irritate the skin.

Hard corns, soft corns, or corns between the toes, also toughened calluses, just shrivel up and lift off so easy. It is wonderful! Seems magical! It works like a charm! Your druggist has Freezone. Ask him!

FORTUNATE FARMERS

of to-day need not envy the conveniences of City Life:—

Motor Cars, Gramophones, Player-Pianos, Moving Pictures, Gas and Electric Power These are a few modern devices assuring the recreation of the farmer and his wife, or lightening their labors.

Some or all of them are to be found in the more settled farming districts, and are rapidly finding their way to the fringes of Western Settlement. Do not add to the overdone competition of City Labor.

There is equal happiness and better living on a Farm. If you want to find out where and how to get a free homestead in Western Canada ask for our publications, "Homeseekers and Settlers Guide," "Peace River Guide," or "British Columbia Settlers Guide."

For further particulars and any of our descriptive booklets apply to nearest Agent or write General Passenger Dept., Montreal, Que.; Toronto, Ont.; Winnipeg, Man.
