A PEEP AT UNCLE SAM'S FARM, WORKSHOP, FISHERIES, &c. BY P. TOCQUE.

Illustrated with Engravings, price 5s., dedicated by permission to His Excellency Sir John Gaspard Le Marchant Governor of Newfoundland.

Opinions of the Press. Mr. Tocque is a "Newfoundlander" but knows more of us Yankees than most of us know of ourselves. His book is quite remarkable. It is full of information, and the very information needed to afford a just estimate of the country. Its statistics are abundant, but they are woven into sketches, personal and general, in such a manner as to relieve them of dullness. It treats of our manufactures, shipping, navy, public men, slavery, religion, and we know not what besides. It ought to be a reliable volume.—Boston, Zion's Herald, May 20th.

Such is the quaint title of a neat duodecimo volume which we find upon our table. It is just what it professes to be, a peep at the Massachusetts corner of Uncle Sam's great homestead by a citizen of Newfoundland. Mr. Tocque appears to have travelled with his eyes open, and between the covers of his book the reader can find a large amount of valuable and entertaining reading matter. June 7th. Daily Spy, May 20th.

The Unrivalled Summer Medicine IS WELL KNOWN TO BE Dr. S. Townsend's Extract of Sarsaparilla.

WHICH assertion is endorsed by the following Testimonial from Rev. James Beattie, Pastor of the Third Presbyterian Church, New Orleans, 18th July, 1850.

Dr. S. P. Townsend—Dear Sir: I feel it to be both a duty and a privilege to say, that for several Summers past I have used your preparation of Sarsaparilla in my family with the happiest effects. Yours, etc. JAMES BEATTIE.

Hotifax, January 2nd, 1851. MR. SAMUEL STORY, Junr.—Dear Sir,—I am happy to inform you that I had an opportunity of perceiving the good effect derived from the use of Dr. S. P. Townsend's Sarsaparilla, on Mrs. Rebecca Robinson, of Sheburne, who was considered in a decline, —having a severe Cough, with symptoms of Asthma,—She took large quantities of COD LIVER OIL, but without any benefit derived from it; at my request she was induced to try your valuable Sarsaparilla, and am happy to say with great success. She has taken five Bottles, and is now able to go about her house as usual, before taking it she was confined to her bed and not expected to live. Your obedient servt., JOSEPH WAITERS.

HOLLOWAY'S OINTMENT.

CURE OF RHEUMATISM AND RHEUMATIC GOUT. Extract of a Letter from Mr. Thomas Brunton, Landlord of the Waterloo Tavern, Conham, Yorkshire, late of the Life Guards, dated September 28th, 1848.

To Professor Holloway, Sir,—For a long time I was a martyr to Rheumatism and Rheumatic Gout, and for ten weeks previous to using your medicines, I was so bad as not to be able to walk. I had tried doctoring and medicines of every kind, but all to no avail, indeed I daily got worse, and felt that I must shortly die. From seeing your remedies advertised in the paper I take in, I thought I would give them a trial. I did so. I rubbed the Ointment in as directed, and kept changing leaves to the parts thickly spread with it, and took the Pills night and morning. In three weeks I was enabled to walk about for an hour or two in the day with a stick, and in seven weeks I could go any where without one. I am now, by the blessing of God and your medicines, quite well, and have been attending to my business more than seven months, without any symptoms of the return of my old complaint.

Besides my case of Rheumatic Gout, I have lately had proof that your Pills and Ointment will heal any old wound or ulcer, as a married woman, living near me, had had a bad leg for four years, which no one could cure, and I gave her some of your Pills and Ointment, which soundly healed it when nothing else would do it. For your information I had the honour to serve my country for twenty-five years in the first Regiment of Life Guards, and was eighteen years a Corporal. I was two years in the Peninsular War, and was at the Battle of Waterloo. I was discharged with a pension on the 2nd September, 1838. The Commanding Officer at that time, was Colonel Lygon, who is now a General. I belonged to the troop of Captain the Honourable Henry Baring.

(Signed) THOMAS BRUNTON. CURE OF A BAD LEG OF TWENTY-ONE YEARS' STANDING. Extract of a Letter from Mr. Andrew Bruck, Blacksmith Eyemouth, near Berwick, dated the 10th of August 1848.

To Professor Holloway, Sir,—With pleasure and gratitude I have to inform you that after suffering for 21 years with a bad leg, which yielded to no kind of treatment, although I consulted, at different times, every medical man of eminence in this part of the country, but all to no purpose. I was frequently unable to work; and the pain and agony I often endured was terrible. My leg is now as sound as ever it was in my life by means of your Pills and Ointment, which I purchased from Mr. I. Davidson, Druggist, Berwick-upon-Tweed, who knows my case well, and will I am sure, be happy to certify with me, if necessary, as to the truth of this wonderful cure.

(Signed) ANDREW BRUCK. AMPUTATION OF TWO TOES PREVENTED. Extract of a Letter from Mr. Oliver Smith Jenkins, dated Falkirk, August 13th, 1848.

To Professor Holloway, Sir,—I was superintending, about six months ago, the erection of one of our Railway Bridges, and by the fall of a large stone my right foot was seriously bruised, which ultimately got so bad, that I was advised to go to Edinburgh to consult some of the eminent Surgeons, which I did, and was told that in order to save my foot, two of my toes must be taken off. In despair, I returned home to impart the melancholy news to my wife, intending to submit to the operation, it was then a thought struck me to try your valuable Ointment and Pills, which I did, and by their means in three weeks enabled to resume my usual occupation, and at this time my toes are perfectly cured. (Signed) OLIVER SMITH JENKINS.

AN EXTRAORDINARY CURE OF A DESPERATE SKIN DISEASE. On the 21st July, 1848, the Editor of the "Moffattville" Newspaper, published in India, inserted the following Editorial article in his paper. "We know for a fact, that Holloway's Pills and Ointment act in a most wonderful manner upon the constitution, as an eccentric Gentleman called Eliza, employed in our Establishment, was afflicted with myriads of Ringworms, which defied all the Medical Doctors, and promised to devour the poor man before he was under ground; we tried 'Holloway' upon him, and in a month he was perfectly restored to his former condition and cleanliness of skin. The effect was miraculous.

The Pills should be used conjointly with the Ointment in most of the following cases:—

- Bad Legs, Cancers, Scalds, Bad Breasts, Contracted and Stiff Joints, Sore Nipples, Burns, Elephantiasis, Skin Diseases, Scurvy, Blisters, Gout, Sore Heads, Bites of Mosquitoes, Fistulas, Ulcers, Chapped Hands, Piles, Rheumatism, Corns (Soft).

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION. DO NOT NEGLECT IT. CONSUMPTION Can and has been cured in thousands of cases by JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT, and no remedy has ever before been discovered that will certainly CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicaments which are peculiarly adapted to and essentially necessary for the cure of COUGHS AND CONSUMPTION.

Its operation is mild, yet effectual: it loosens the phlegm, which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have only proved palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in writing. Consumption and all diseases of the Lungs, such as Spitting of blood, coughs, pain in the side, night sweats, &c. &c. About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery (will show them to any person, calling at our office). This medicine will speak for itself and enough in its own favour wherever it is tried.

CAUTION.—This medicine is put up in a large bottle, and the name of Judson & Co., Proprietors, New York on the splendid Wrapper around the Bottle. All orders must be addressed to Comstock & Brother, No. 9 John Street, New York.

Sold wholesale for the Proprietor in Nova Scotia at Morton's Medical Warehouse, Halifax; in Windsor by Mrs. Wiley; in Dartmouth by D. Farrell, and by one agent in every town in N. S. and N. B. Enquire for Comstock's Almanac for 1852 which is given to all gratis. 105 July 12.

LIFE AND FIRE INSURANCE. The Undersigned has been appointed Agent for the "TRENTON MUTUAL LIFE INSURANCE COMPANY OF TRENTON," United States, and having previously to taking the Agency, received satisfactory proof of the good standing and respectability of the Institution, he begs to inform the public generally that he is now prepared to issue Policies for eligible fire risks at moderate rates of premium, and to receive proposals for Life Policies, which will be forwarded to the Directors, and if accepted, Policies will be immediately returned. The Capital Stock of the Trenton Mutual is now \$250,000, well secured in good productive Stocks, Mortgage on Real Estate, and Cash in Banks—and is doing a very large and as yet from its commencement in 1837, a very successful business. In the Life Department they issued the first year, ending 1st October, 1849, 157 Policies—a number which very few Companies of long standing ever reached in the same time. The benefit of the mutual system in Life Assurance is very apparent, and is most favourable to all Policy holders in this Society, inasmuch as they receive a portion of each year's profits yearly, being deducted from the Premiums then payable, which are lower than any of the English Companies and not subject to stamp duty—all the particulars of which are fully set forth in the Pamphlets which the Agent has for distribution, who furnishes all Blanks and every necessary information, together with the Medical Examiner's Certificate gratis. All persons intending to insure are invited to call on the Agent, who will give them every information. BERTS S. BLACK, Esq., M. D. is Medical Examiner for the Company. DANIEL STARR, Agent. Halifax, 15th June.

MEDICINES, SPICES, SEEDS, &c. A FRESH supply of the above, which comprises all the various descriptions usually required by the public has been received by the recent arrivals from Great Britain and elsewhere, and will be disposed of on the usual favourable terms at the Medical Warehouse, Granville St., corner of George St. MORTON & CO. May 17. 2nd.

TO THE PUBLIC.

An Effectual and Never-failing Cure for Erysipelas.

THE SUBSCRIBER has for some time prepared a medicine for the cure of Erysipelas, and Eruptions of the Skin, which has not only immediately relieved all who have used it, but effectually cured them. She is desirous that those who are afflicted with what, in many cases of that disease, is considered incurable, and that all who are suffering from its attack, may have the benefit of the wonderful power of HEALING of this Medicine, and removing all diseases of Erysipelas or Salt Rheum. MRS. C. BERTHAUX, Nicasau.

It may be procured from any of the following AGENTS: John Naylor, Esq., Halifax. Andrew Henderson, Esq., Annapolis. Daniel More, Esq., Kentville. William H. Troop, Esq., Wolfville. Elder Samuel McKeown, Barrington. T. R. Pattilo, Esq., Liverpool.

CERTIFICATES. Of persons who were suffering from severe attack of Erysipelas, who had tried the many remedies which are usually prescribed from which they found no relief; but on applying Mrs. BERTHAUX'S MEDICINE were effectually cured.

This is to certify, that I have been afflicted with the Erysipelas, or the Salt Rheum, as the Doctors call it, for ten years. My hands were frequently so diseased, that I could make no use of them. I employed several Physicians, but to no purpose as my suffering only increased. I applied Mrs. BERTHAUX'S MEDICINE for a short time and was soon cured of every vestige of the disease. The numbness which I felt, on the long and painful disease being removed, was much more than tongue can express. After three years from the time when I used the Medicine, was threatened with a relapse or return of the disease. I applied the Medicine and the disease disappeared. From that time to the present, I am perfectly free from all symptoms of Erysipelas or Salt Rheum. I therefore heartily recommend it to all who are similarly afflicted, as a speedy and effectual remedy. ANN S. WHEELLOCK, Nicasau.

August 5, 1847. This is to certify that my wife was attacked with Erysipelas in the face. I applied Mrs. BERTHAUX'S MEDICINE, and the first application stopped its progress; and, continuing to use the medicine, in less than a week my wife was quite well. ELIAS GRIMES, Wilmsot. May 1st, 1848.

Wilmsot, May 15, 1850. This is to certify that my son was severely afflicted with the Erysipelas in his leg last summer, so badly that he scarcely slept for five successive nights. I then procured some of Mrs. BERTHAUX'S MEDICINE, and applied it, and in the course of one week, the boy was well; and I verily believe if I had not used the above Medicine, that he would have lost his life. WILLIAM GORDON.

Sworn before me, THOMAS C. WHEELLOCK, Esq. May 15, 1850.

Annapolis, January 3rd, 1851. This is to certify that my daughter about a year ago had a very severe attack of Erysipelas in her head and face, so much so that there was left no hope of life. Medical aid was called, but the word was, that all was over as the dreadful disease had overspread the brain, and she was raving distracted. In this extremity I had accidentally heard of Mrs. BERTHAUX'S MEDICINE. I went and got a small phial, and proceeded to apply it as directed; and almost instantaneously the disease was arrested from further progress, and in a few days, the swelling was gone, and her natural colour returned, and she is now alive and well. WILLIAM McEWAN. March 5, 1851. Wesleyan & Athenaeum, 6 mos. ea.

This Institution has been opened and in successful operation upwards of eight years. The manner in which it was founded and established, the principles enunciated at its opening as those upon which it should be conducted, and the arrangements which were made for carrying out its designs in all its departments, in both school and family, were such as to secure for it, from its very commencement, a very high place in the public estimation. And the Committee of Management and Board of Trustees, upon whose direction of its affairs has devolved, have been encouraged and stimulated by its prosperity to continued efforts to render it ever increasingly efficient. Every year in its history has been marked by important additions to its educational facilities, and by more or less extensive general improvements throughout the establishment. The attention of young men seeking an education, and of Parents and Guardians of Youth, is, therefore, confidently invited to it as an Institution, at least equal in every respect, for the purposes for which it was founded, to any in British America.

The next Term will begin on Thursday, the 7th August, and continuing nineteen weeks, end on Wednesday, the 17th December. Expenses.—For Board, Washing, Fuel, Lights, &c. and Tuition in Primary Department, £25, New Brunswick currency, per annum. In the higher Departments, from £25 to £30 per ann.
