## BEATTY

BEAUTIFUL HOLIDAY PRESENTS. BEATTY'S ORGANS AND PIANOFORTES. The Most Successful House in America.

A NEW CASE FOR THE HOLIDAYS NOW READY. The organ of choice for the holidays is so great that I am... purchase of material that enters into their construction in immense quantities, to offer a new and more elaborate case for my...

**FAMOUS BEETHOVEN ORGANS**  
This style alone has reached a sale of over 20,000, which has gone to every country of the globe... This fact alone attests the possibility of REPUTATION that the Beethoven 27-stop organs are the only ones that can be called BEETHOVEN ORGANS.

**\$125**  
The organ which it is sold now places it within the reach of the poorest of the people... This new case is especially desirable for its compactness, its hand carved and decorated with artistic and ornate designs in red and gold. Highly polished and lamp stands and knee swells of new design and power.

**SPECIFICATION OF STOP WORK, 27 IN ALL.**  
(1) Cello, (2) Melodia, (3) Clarabella, (4) Manual Sub-Bass, (5) Bourdon, (6) Saxophone, (7) Violin Gamba, (8) Diapason, (9) Viola Dolce, (10) Grand Vox, (11) Horn, (12) Trumpet, (13) Harmonica, (14) Echo, (15) Dulciana, (16) Clarinet, (17) Grand Vox, (18) Vox Humana, (19) Vox Celeste, (20) Piccolo, (21) Coupler Harmonique, (22) Orchestral Forte, (23) Grand Vox, (24) Right Duplex, (25) Automatic Valve Stop, (26) Right Duplex, (27) Left Duplex.

If the above instrument is not as represented after one year's use, return it at my expense and I will refund you the money with interest. BEATTY'S PATENT IMPROVED ADJUSTABLE STOP-ACTION IS USED. This is the highest and most perfect state of perfection. By its use the mellow notes can command the great variety of the organ as completely as the most finished organist.
