

An Unrivalled List.

The Steinway Piano,
The Chickering Piano,
the Haines Piano.

It is quite unnecessary to say anything in praise of these instruments. The first two on the List are acknowledged by all to be the finest Pianos in the world. The most celebrated artists of the day have pronounced in favor of one or the other over all others.

THE HAINES, for a medium priced Piano, excels in finish and beauty as well as durability, any other instrument of its class. Its popularity is proved by the fact that the Haines' Factory has risen to be the Third Largest Factory in America.

Read this Twice.

In addition to our premiums of music and "Mikado" cards, we have just issued a beautiful panel picture, in colors, 14 x 26, a fac-simile reproduction of one of the Paris Salon paintings for 1884, entitled "Two Sisters." It is a perfect gem, and well worthy a place on the wall of any of the patrons of Dobbins' Electric Soap. We have copyrighted it, and it cannot be issued by any other house than ourselves. The edition is limited, and will be issued gratis to readers of this paper in the following manner only:—

Save your wrappers of DOBBINS' ELECTRIC SOAP, and as soon as you get twenty-five mail them to us, with your full address, and we will mail you "The Two Sisters," mounted ready for hanging, free of all expense.

The soap improves with age, and those who desire a copy of the picture at once, have only to buy the twenty-five bars of their grocer at once. This will ensure the receipt of the wrappers by us before the edition is exhausted. There is, of course, no advertising on the picture.
