

THE CANADIAN GROCER

There's a Record in the Register

Before the Customer Gets the Goods

The "Get a Receipt" plan enforces a *record* inside the register before the goods are wrapped. The *receipt* is wrapped in the parcel and the record *must* be made before the receipt is issued.

This record is the clerk's own acknowledgment that he has sold a certain amount of goods and will be responsible for a corresponding sum of money. It is your receipt for the transaction.

This protects your business, shows you at all times just where you stand, benefits your customers, saves time and increases profits.

Write for information today about the National Cash Register that is built for the particular needs of *your* business.
