SCHEME OF PENSIONS IS BEING DRAWN UP
Sixty Cents a Day Likely to be the Sum in Case of a Private.
OTTAWA, Oct. 31.—The scheme of pensions to be paid to the widows, families and dependents of Canadian soldiers who may be killed in the war now being waged will be drawn up shortly by the Militia Department, and will be submitted to the cabinet. It will be made effective, in all probability, by a Pension Bill next session. As yet there is no statement as to what amount will constitute the pension to be paid in the case of the ordinary private, but it is understood that it will be considerably in excess of that received by the British soldier, a shilling a day, and will be about on the same scale as the United States pension, about six-tenths of the regular day's pay. This would amount to 60 cents per cent in the case of a Canadian soldier, who receives a dollar per day while on active service.

OFFICERS ENLISTING MUST RETAIN RANK
None Will be Allowed to Go With Next Contingent as Private.
OTTAWA, Oct. 31.—Canadian officers who enlist for service in the second contingent will not, it is learned, be allowed to waive their rank and serve in the ranks as privates in the case of the first contingent, so eager were they to see service at the front. Besides this, many more officers were taken over with their rank, and it is understood that a possible number of officers did this in the case of the first contingent, so eager were they to see service at the front. Besides this, many more officers were taken over with their rank, and it is understood that a possible number of officers did this in the case of the first contingent, so eager were they to see service at the front.

NO OPPOSITION
QUEBEC, Oct. 30.—Sir Wilfrid Laurier, who has been in Quebec for the last two days, conferring with the Liberal organizers regarding the Quebec and Champlain counties left-to-day for Ottawa. It is officially announced that there will be no contest either in Quebec county or in Champlain. The Liberals, discussing their attitude, say they do not deserve our confidence, but the country at present needs all its energies, we will not split them.

SCOTLAND'S SONS HOLD A CONCERT
Enjoyable Event Was Held Last Evening in the Camp Room.
A most successful concert, being the first of a series of social evenings, was held by the Sons of Scotland in their camp room on Thursday evening. A large number of members and friends were present and enjoyed a splendid evening. Chief J. B. Wilson arrayed in Shepherd regalia, proved a most efficient chairman. The programme which waited the audience back to auld Scotland for the evening, consisted of piano duets by Mrs. McArthur and Miss Storey, who also proved excellent accompanists. Mrs. A. Simpson, recently from the Old Land made her first appearance before a Brantford audience, and scored a signal success in two violin solos, having to respond to enthusiastic encores. Bro. A. Duncan and A. Simpson also made their first vocal appearance, and made a splendid showing in Scottish songs. Bro. Dr. Russell gave an excellent rendering of "Mary" and with Bro J. Anderson responded to an encore in a duet, "Scots Wha Hae." Miss Minnie Ross, and Bro. J. Anderson, prime favorites with a Scotch audience gave "Hunting Tower," with spirit and realistic effect, and "Will ye no come back again," as an encore. Miss Ross added to her laurels in "Mary" style, in her recitation "O'er a Working Girl." In a short but prompt address Bro. Rev. J. W. Gordon touched on the war, emphasizing the fact of the "British" instead of the oft-quoted "English" army, pointing out the doggedness of the English, passion of the Irish and daring bravery of the Scotch, as dominant factors in holding in check the greatest military machine ever built up. Bro. Past Chief Hodie in an interesting and instructive address touched on Scotsmen in various aspects, their high moral standing as a nation, ability and achievement, success and influence in all walks of life and in all lands, dealing with the S. O. S. as a fraternal and insurance society he pointed out the necessity of an absolutely safe insurance and referred to the Dominion government report showing that the S. O. S. ranks second among Canadian societies as a safe investment with a cash reserve of \$7,271,000 insurance, a high standing in the "World's Economic Management" and a low death rate, and concluded by showing that for Scotsmen, on fraternal, patriotic and sound business grounds, no better investment could be found than the S. O. S. No Scotch gathering would be complete without the bagpipes which were handled in splendid style by Bro James Galbraith. Vespers, by Bro. Broach and Bro. Broach and A. McAulay received a hearty response after which a happy and successful evening was brought to a close by "Auld Lang Syne."

The fact of a gunshot was shattered by the Japanese shells.

FEARS FOR BUILDINGS
PARIS, Oct. 31.—Maurice Maeterlinck, the Belgian author, in a signed article in the Figaro, reviewing the phases of the war in Belgium, still expresses fear for the fate of the Grand Place, (market place) the Hotel De Ville (the town hall) and the cathedral of Brussels. He says he is certain and knows from a sure personal source that they have been mined and that only a spark is needed to reduce them to debris.

OBSTRUCTION ON TRACK.
LONDON, Ont., Oct. 31.—An obstruction discovered on one of the railway crossings of the city last night was removed by railway employees just a few moments before the passing of one of the last expresses. It is thought to have been the work of small boys having an early celebration of Halloween.

LONDON, Ont., Oct. 31.—The local authorities have figured out that the cost of the training of 1,000 men here for sixty days of the 18th battalion of the second contingent will be \$7,466 per day. For sixty days training the cost will be \$447,960.
