A great many places boast of the longevity of their people and the remarkable vigor of their old people. We doubt if (considering his age) any place can show a more robust specimen than the mail carrier between Somerset & Berwick, Mr. Klismán. Rain or shine he is always on hand often coming through when he has had to make his own path.

Councillor and Mrs. M. B. Anthony gave a most enjoyable evening party to a few of their friends at their beautiful home on Main St., on Friday evening. The genial Councillor and his wife have a reputation for entertaining and this affair was one of the most successful. Games of all kinds were participated in after which a "beautiful" collection was served. Amongst the invited guests were, Mr. and Mrs. A. S. Magee, Mr. and Mrs. E. Pickering, Mr. and Mrs. H. C. Masters, Mr. and Mrs. J. Andrews, Misses Pickering, Stewart, Woodworth, Tuttle, Taylor, Rice, Dr. Birt, Messrs. H. E. Mosher, A. M. Caldwell, W. H. Snyder.

From another correspondent

Avon Saxon and his wife, Madame Cheron leave England about March 20th, for New Zealand and Australia on an extended tour. They will take with them a company of nine of the leading singers of England and Scotland. Although not fully decided, he plans to return to England via Canada.

Fred Woodworth, who has had his portable mill at Rockland, intends in a few days to move it to Centreville.

There are several more buildings to go up in Berwick than those mentioned in the last advertisement. J. G. Clarke will erect two houses on the lot of land south of Victoria Hall. J. M. Patterson will build a nice residence on Cottage St. Rupert Caldwell will move the John Barreux house to the west and face it to the cross street and on the junction of Commercial and the cross street will build a large store, which being next the post office should make it a very desirable site. Charles H. Beardsley will move the building now occupied as a tailor shop and residence to Main St. and connect it with his present store. The buildings will be entirely renovated and up-to-date. He will add to his present business that of furniture.

Barpee Eaton made a hurried trip to Halifax last week.

The apples in the warehouse have been about all re packed and work will at once commence on potatoes.

Mr. W. E. Brown has received from his son, who is in the hardware business in one of the American western cities, a programme of the memorial services to our late Queen. Mr. Brown also mentions in a private letter to his father, that he was offered an important government position, and though the remuneration was a good one, still the Yarmouth boy abroad did not think it paid to leave hardware.

Miss Gates and Miss Brown of Kingsport, have been visiting Miss Woodworth.

Mr. and Mrs. Carney formerly of the Waverly Hotel, Kentville, are now residing in the Hannivan house near Rockland, South Berwick.

Rev. Mr. Dobson a well known Methodist minister, at present stationed in Halifax, lectured in the Methodist church Monday evening March 4th.

The death occurred on Sunday at Burlington of David Pineo, brother of Augustus A. Pineo of Kentville, at the advanced age of 92 years. The deceased leaves a family of sons and daughters to mourn their loss.

Word has been received of the death at Butte, Montana, of Alfred Morse, a native of Annapolis Co. The deceased left this province at an early age and has grown up with the great west. All the family are dead with the exception of a brother John in Clarence and a sister, Mrs. Gilliatt of Granville. He leaves a widow who is very ill and not expected to recover and one daughter who lives in Dallas, Texas Messrs. Almon L. and T. H. Morse of Berwick are nephews of the deceased.

W. M. Shaw with his wife and child leave on Thursday for Kingsport.

**When it Hurts  
To Cough**

The cough that hurts, the cough that gets tight in the chest is daily getting deeper and deeper into the bronchial tubes and is making directly for the lungs, to become pneumonia, inflammation of the lungs or consumption. Such coughs are sometimes referred to as "graveyard coughs," because they usually bring their victim to that last resting place.

Dr. Chase's Syrup of Linseed and Turpentine has long been known as mother's favorite remedy for croup, bronchitis, coughs and colds. It gains its popularity every day and now has by far the largest sale of any similar preparation.

It loosens the tightness in the chest, allays the inflammation, cures the cold, prevents pneumonia, consumption and other lung troubles. 25 cents, all dealers, or Edmanston, Bates & Co., Toronto.
