THE FAIRS

The Clerk of the Weather was any-
thing but kind to the agricultural
fairs of this district.

Brockville was served up with a
mixture of cold and moisture that sad-
ly interfered with the attendance.

Lyndhurst came next and a perfect
downpour of rain on the second day
rendered the gate receipts next to
nothing.

Then came Delta where a record at-
tendance was expected, and on the
second day there was an average crowd
present, but on the third day, when a
large number had calculated on being
present, the gentle rain that prevailed

almost continuously dampened the
spirits of everybody, spoiled the truck,
and caused general disappointment.

Frankville fared a little better
though the excess of moisture was
again in evidence, and the receipts
will probably be considerably below
par.

The bad weather caused disappoint-
ment to many exhibitors and pleasure
seekers, but chiefly to the members of
the different boards who since last
January have been preparing the prize
list and programmes.

"Better luck next time" will be the
watchword of the managers, and the
fall fairs will be with us next fall as
usual. Some if not all of these fairs
carried weather insurance, and will
come out alright financially.

MEDICAL
AUTHORITY

The British and United States
Pharmacopoeias, two of the greatest
medical books of authority, state that
the active principle of FIGS is a val-
uable LAXATIVE remedy in the
treatment of all KIDNEY, LIVER,
STOMACH and BOWEL disorders.

A PARTING HONOR

Haileybury, the last northern
town where liquor may be legally
sold, has a live branch of the W. C.
T. U., and when the late Mrs John
Besley was leaving for Hamilton for
medical treatment she was presented
with the following address—

Dear Mrs Besley,—It is with feel-
ings of the deepest regret that the
members of the Haileybury Women's
Christian Temperance Union learn of
your departure from among us for a
season, but we are hopeful that the
change will build up your health
so that you will return to us fully
restored.

We feel that you have always
been a faithful and consistent mem-
ber of our society—faithful in at-
tendance and strong to uphold our
principles. We regret very much
that we have not been able to do
more to lift the burden that comes
with prolonged illness, but only lack
of strength, not lack of sympathy,
has kept us from what our hearts
prompted and willing hands wanted
to do. We are thankful to-day that
this is a Christian Temperance
Union and that our Heavenly Father—
who knoweth the sacrifice and
patient long-suffering of these many
years, the striving of the mother
hand to lead her little ones in the
high pathway of righteousness and
church service—will look down in
loving kindness and uphold you in
his arms and keep you trusting in
His infinite love and mercy.

Emily Jones, President

TROUBLE AHEAD

"Uneasy lies the head that wears a
crown." During the recent election
campaign it was charged that the
Government had been remiss in the
matter of securing the re-employment
of the Grand Trunk strikers, and by
some it was claimed that the Govern-
ment should make good the losses
suffered by the Grand Trunk. These
little chickens are now com-
ing home to roost. The unexpected

has happened—the Government has
been defeated—and now the new
Government is to be asked to take
immediate steps towards doing those
things left undone by the Liberals.
The railway men are already busy
along this line, and Rev. Geo. Gilmour
of Fingal, Ont., chairman of the Far-
mers Bank Relief Committee, says:

"All necessary steps are being taken
to secure for the depositors their
money. The matter will be pre-
sented to the new government. A
great many of the candidates for the
Federal government who have now
been returned, promised to see that
we would secure the money. Pressure
will be brought to bear on them to
keep their promises."

Card of Thanks

Relatives of the late Mrs John Be-
sley desire through the Reporter to re-
turn thanks to friends and neighbors
for their many acts of kindness and
expressions of sympathy following the
death of Mrs Besley.

Women's Institute

The Athens Branch of The Ontario
Women's Institute met in the town
hall on Sept. 30th. The meeting was
largely attended and an excellent pro-
gramme was given.

Miss Mina Clow gave a very
practical talk on "Care of Sick Room"
in which she plainly explained the
various ways of securing pure hygienic
conditions in the patient's surround-
ings.

The subject "Apples as a food" was
discussed by Miss Emma Hayes. In
her remarks special note was made of
the medicinal properties of the apple
in the raw state.

The musical numbers of the pro-
gramme were a mandolin solo by Miss
Florence Williams and an instru-
mental duet by Miss Loverin and Mrs
Geo. Judson. Miss Marion Covey
favored the Institute with a recitation.

Mrs S. S. Cornell exhibited a chart
showing values of different foods.
One kind of food will be discussed
each month and its value to the
human body shown by use of the chart.

\$11,000 IN PRIZES AT WINTER
SHOW IN OTTAWA

There is probably no exhibition in
Canada which is making more rapid
growth than the Eastern Ontario Live
Stock and Poultry Show, the great
educational show held each January in
Ottawa. In recent years the attend-
ance has been increasing over fifty per
cent annually, while the gain in the
number of exhibits has been almost as
great. This result is largely due to the
generous prize list which is suffi-
cient to bring out very high quality
exhibits in large numbers. The differ-
ent departments and the total of prizes
offered in each are as follows:—

Horses \$3000.00
Dairy cattle 1400.00
Beef cattle 1600.00
Sheep 850.00
Swine 850.00
Poultry 2750.00
Seeds 550.00
Total \$1100.00

There are in all 148 sections in the
prize list representing 197 breeds and
varieties. The individual prizes are
large and in a great many cases more
than one prize may be won by the
same animal.

A new feature of the prize list this
year is the introduction of several
classes open only to exhibitors who
have never won a first prize at exhibi-
tions held at Ottawa, Toronto, London
or Guelph. These will offer special
inducements to new exhibitors as they
may also show in open classes.

The dates for the next show are
January 16 to 19, 1912. Our readers
may secure prize lists by sending a
request by post card to D. T. Elderkin,
Secretary, Ottawa, Ont.

\$3,600
in Cash Prizes for Farmers
Your Photograph May Win a Prize

AMONG the prizes we are offering in our big
Prize Contest is one of \$100.00 (Prize "C")
for the farmer in each Province who fur-
nishes us with a photograph showing the best of
any particular kind of work done on his farm
during 1911 with "CANADA" Cement. For this
prize, work of every description is included.

Now just as soon as you finish that new silo,
barn, feeding floor or dairy, that you've been
thinking of building, why not photograph it and
send the picture to us? The photograph doesn't
need to be taken by a professional
necessarily have to be taken by a professional
or an expert. In fact, your son's or your daugh-
ter's camera will do nicely. Or, failing this, you
might use the kodak of your neighbor's son near-
by. In any event, don't let the idea of
having a photograph made deter you
from entering the competition. Par-
ticularly as we have requested
your local dealer to help in
cases where it is not conven-
ient for the farmer to pro-
cure a camera in the

neighborhood. By this means
you are placed on an equal foot-
ing with every other contestant.
Get the circular, which gives you
full particulars of the conditions and of
the other three prizes. Every dealer who sells
"CANADA" Cement will have on hand a supply
of these circulars—and he'll give you one if you
just ask for it. Or if you prefer, you can use the
attached coupon—or a postcard will do—send it
to us and you'll receive the complete details of
the contest by return mail.

If you haven't received your copy of "What
the Farmer Can Do With Concrete," write for
that, too. It's a finely illustrated book of
160 pages full of useful and practical in-
formation of the uses of concrete.

Write us to-night, and you'll receive
the book and the circular promptly.
Do not delay—sit right down—
take your pen or pencil, and fill
out the coupon NOW.
