VEGETINE.

J. Bentley, M. D. says,
It has done more good than all medical treatment.
NEWMARKET, ONT., Feb. 9, 1880.
MR. H. R. STEVENS, Boston, Mass.:
Sir—I have sold during the past year a considerable quantity of your VEGETINE, and I believe, in all cases it has given satisfaction. In one case, a delicate young lady of about 17 years was much benefited by its use. Her parents informed me that it had done her more good than all the medical treatment to which she had previously been subjected.
Yours respectfully,
J. BENTLEY, M. D.

GOOD FOR THE ACED.

WILL YOU READ THIS?
CLIFTON, ONT., Jan. 16, 1880.
H. R. STEVENS:
Dear Sir—I advise you of the good results of your VEGETINE. My son's father, now nearly eighty-five years old, was attacked with dyspepsia in its worst form. His head and face were swollen so that he was blind, and one of his limbs was badly swollen and discolored, and broke out in several places and discharged. His physician said there was no remedy that could cure him, as he was such an old man. To gladden a wife's heart, he was persuaded to take your VEGETINE. Seven bottles cured him, and he is now a healthy old man.
Last Spring I was troubled, with a disordered stomach, with a slow skin, want of appetite, cold extremities, &c. &c. I was satisfied that this condition of things arose from poverty of the blood. I took two bottles of VEGETINE; it cured me, and I am satisfied it is the best tonic and blood purifier in the market, and I am very happy to make known these facts to the world.
Yours very truly,
A. MENZIE.

Vegetine.

I have Much Pleasure in Testifying to its Efficacy.
TORONTO, ONT., Feb. 23, 1880.
MR. H. R. STEVENS, Boston, Mass.:
Dear Sir—I have much pleasure in testifying to the efficacy of your VEGETINE for the cure of Rheumatism. Having been persuaded by a friend to try it, I took four bottles, from which I derived great benefit, and was enabled to resume my usual duties, after the severe affliction of nearly a year.
Yours truly,
JOSIAH GREEN, Chemist,
604 Queen St. and Cookville, Ont.

Vegetine.

It Has No Equal.
MONTREAL, Jan. 29, 1880.
H. R. STEVENS, Esq.—Dear Sir: I do not like to write testimonials for advertised medicines, but the great benefit that so many of my customers have obtained from the use of VEGETINE compels me to say that with an experience of 25 years, both in Great Britain and this country, I have never known a more useful remedy placed before the public.

Assistant of the Apothecaries Company of London, Member of the Pharmaceutical Society of Great Britain, Licentiate in Medicine of the College of Physicians and Surgeons.

ST. JOHN, N. B., April 11, 1880.
H. R. STEVENS, Esq., Boston:
I have sold VEGETINE ever since its introduction into the market, and I can say with confidence that it is a most valuable remedy for a blood purifier.
RICHARD N. KNIGHT,

ST. JEAN BAPTISTE VILLAGE, P. Q.,
Jan. 8, 1880.
H. R. STEVENS, Esq.:
Dear Sir—I find the sale of your VEGETINE constantly increasing from the testimonials I receive from my customers. I consider VEGETINE the best preparation in the market, for a blood purifier and general tonic.
Yours respectfully,
J. A. DAWSON,
Cor. St. Lawrence and St. Jean Baptiste Streets.
Vegetine is Sold by all Druggists.

One of the curious articles in our fish market.

was a small water pond in Maine. They were much larger than any smelt ever before seen in our market, most of them weighing three quarters of a pound each; eight of them weighing ten pounds. They were very handsome fish and suggestive to the fish commissioners, showing that they may be done in Fresh water with a salt water fish, being quite equal to what is done in Europe and proposed to be done here with a carp. The smelts were found to be in spawn, and in one of them at least, was found a small smelt entire.—N. Y. Herald.

ZOPESA from Brazil.

As a result of the new commercial enterprise just assuming importance with Brazil, is the introduction of Zopesa, so justly celebrated where it is known for the cure of all forms of Indigestion. The company have opened a laboratory in Toronto. Zopesa comes to us highly endorsed and recommended, its wonderful ability to the Digestive Organs, its certainty to relieve and cure Dyspepsia and Constipation, makes this remarkable compound a necessity in Canada. The company make sample bottles at the trifling cost of 10 cents, to be had of E. Lee Street, Newcastle.

Local Legislature.

FREDERICTON, March 21.

Mr. Gillespie moved, seconded by Mr. Davidson, an amendment to Mr. Butler's Central Railway resolution, so to include the Northern and Western Railways Co.

Mr. McManus moved, seconded by Mr. Turner, an amendment to the amendment so as to include the Carquest Branch Co.

After a full discussion the amendments were voted down, as was also the original resolution.

Mr. Elder introduced a bill to incorporate the New Brunswick Society for the prevention of cruelty to animals. The House passed the bill doing away with the division of the Supreme Court.

The House went into committee on a bill to abolish the Legislative Council.

Hon. Mr. Wedderburn said there was necessity of maintaining the upper House, and \$10,000 a year would be saved by its abolition.

Mr. Blair, Hon. Mr. Adams, and Mr. Morton moved the passage of the bill; Messrs. Lyndal and McLean did not see the necessity of the measure; Mr. Barberie did not think the Government were justified in bringing before the people at the next general election; Mr. Elder felt he could vote for the bill as a measure to test the sentiment of the country and advance certain services which had been agreed on by the Government and to which they were unable to respond. The bill was agreed to and the House adjourned.

FREDERICTON, March 22.

On the bill to abolish the Legislative Council coming up for a third reading, Mr. Willis said yesterday he was struck with the remarkable character of the utterances made by some of the members of the opposition, that the time had come when the question should be dealt with promptly and properly.

Mr. McLean said he wanted it understood that the Government from Northumberland mixed up the utterances of the leader of the opposition with those of other speakers. He had come to the conclusion thoughtfully that the time had come when the question should be dealt with promptly and properly.
