TAROL

IS PREPARED BY COMPETENT CHEMISTS

TAROL is not a new remedy, for, years previous to 1885 date on which it was placed on the market, Dr. Ed. Morin prescribed it regularly to his patients. When he gave up his medical practice in order to establish the wholesale drug house which bears his name, TAROL was the first preparation he placed on the market. Today it is in the same laboratory that TAROL is manufactured, from the identical formula, by experienced chemists and always with the purest and best ingredients procurable. This is why TAROL cures today as it did thirty years ago.

Coughs, Colds, Bronchitis, Grippe and even TUBERCULOSIS in early stages. If you cough, if you have a cold which will not cure, if you are subject to Bronchitis, if your chest is weak, use "TAROL", it is the specific.

Pale and Weak women and young girls should use Dr. Ed. Morin's Cardinal Pills.
