THE ELECTION

The Election on Monday gave the Borden Unionist Government a majority of 43, without counting the vote of the overseas soldiers at all. Sir Wilfrid Laurier has less than 40 per cent. of the new House of Commons, with the prospect of losing the two Cape Breton seats and those of Picton, Cumberland and others in N. S. and also several in Ontario when the soldiers' votes are counted.

The Government swept Ontario and the West, while the Opposition swept Quebec, P. E. I. and most of N. S.

Only the French counties of Restigouche-Madawaska, Gloucester and Kent and the nearly half French Westmorland returned the Opposition candidate in this province.

Northumberland rose splendidly to the occasion and reelected Mr W. S. Loggie by a narrow but safe majority. This result, without recourse to the overseas vote, is very satisfactory and is a fitting reward for Mr Loggie's faithful service as a member and his courageous and patriotic stand on the vital questions that have recently come up in parliament.

Prince Edward Island elected no Government supporters, and, with the exception of Hon. Messrs. Doherty and Ballantyne, members of the Government, and Sir Herbert Ames, all from Montreal City, Quebec province returned no Unionists. The two French members of the Government were snowed under by the votes of their own compatriots, and no French man, except one or two elected in English-speaking districts, appear among the Unionist members-elect. All of the Government but Messrs. Blonin and Sevigny were triumphantly returned, either by acclamation or by large majorities.

The Central and Western provinces gave the Government an almost solid contingent.

The result is a decisive victory for the principles of the Union Government, and as such will have great influence upon the whole empire and indeed, upon the world.

We congratulate Mr W. S. Loggie, we congratulate Hon. F. B. Carvell and Hon. R. L. Borden and the county upon the results. May peace and unity come to the country. May the victors treat their erstwhile opponents fairly and generously and the opposition accept their reverse in a sportsmanlike manner and all unite to bring the country through the great war successfully and honorably.

Annual Meeting Of U. B. Church

The annual meeting of the Newcas-
tle Baptist church and congregation
was held on Wednesday evening,
Dec 12th, and was full of good
cheer.

Rev. S. Gray reviewed the church
year, which terminated on Nov 30th,
accenting the improvement in attend-
ance, and the presence of new com-
ers from other towns, faces familiar
and unfamiliar. He also spoke of
favourable features of the church at
Derby.

The financial statement was pre-
sented by the treasurer, Mr C. C. Hay-
ward, who remarked that the year's
income touched a higher mark than
ever before.

The Sunday School report present-
ed by Mr. Locke, showed a balance
on hand of \$25.50, and an attendance
of about the same as last year. The
Home Department of the S. S. in the
hands of Mrs. T. A. Scribner has a
circle of 65, and, as that lady remark-
ed, there was encouraging interest
taken in the houses visited by her-
self and her two helpers, Mrs. Ryan
and Miss Mitchell.

The Mission Band has been well
maintained, in the capable hands of
Mrs C. C. Hayward.

Mrs. Astles gave details of the W.
M. A. There are 19 members, and
\$81 was raised during the year. Two
new life members had been created,
Mrs S. Gray and Mrs. Scribner.

The Flower Committee, with its
convener, Mrs. Alex McKay, had ren-
dered good service.

The 5 Year Programme of the
Baptist Convention will receive regu-
lar attention in the ensuing year
by its four local committees.

The undennamed were unanimously
elected to serve for 1917-18:

Trustees—C. C. Hayward, E. O'Don-
nell, T. V. Tozer, T. A. Scribner, Wil-
lard Lewis, Malcolm Amos, Jas. D.
Lyon.

Treasurer and Assistant—C. C. Hay-
ward, Treas. W. R. Melanson, Asst.
Treasurer.

Auditors—H. S. Tozer, Buxton Som-
ers.

Lemons Make Skin White, Soft, Clear

Make this Beauty Lotion for a few
Cents and see for Yourself

What girl or woman hasn't heard
of lemon juice to remove complex-
ion blemishes; to whiten the skin
and to bring out roses, the freshness
and the hidden beauty? But lemon
juice alone is acid, therefore irritat-
ing, and should be mixed with this
orchard white this way. Strain
through a fine cloth the juice of two
fresh lemons into a bottle containing
about three ounces of orchard white,
then shake well and you have a whole
quarter pint of skin and complexion
lotion at about the cost one usually
pays for a small jar of ordinary cold
cream. Be sure to strain the lemon
juice so no pulp gets into the bottle,
then this lotion will remain pure and
fresh for months. When applied
daily to the face, neck, arms and
hands it should help to bleach, clear
smoothen and beautify the skin.

Any druggist will supply three
ounces of orchard white at very little
cost and the grocer has the lemons.

Mr. William Russell was a visitor
to Amherst this week.

Mrs. H. H. Stuart and master Henry
W. Stuart spent the weekend with re-
latives at Fredericton and Frederic-
ton Junction.

Miss Helen McMichael, student at
Mt. Allison Ladies' College is home
for the holidays.

Mrs. Howard Cassidy returned on
Saturday from a visit to her sister,
Mrs. Ernest Ryan, Fredericton.

Mrs. Almer Gordon of Marysville is
visiting her sister, Mrs. John Ke-
thro.

Mrs. Elizabeth Clarke of St. Stephen
is the guest of Mr. and Mrs. T. A.
Clarke.

"Love Endureth Thru All"

There at Beni-Moro, on the rim of the great
Sahara, met the man and the Woman. Neither
had ever known Love. Consequently, Love
was all-powerful when it arrived. Into the great
Desert they fled to live with Love. Into the great
Sahara there followed Fate. And the Woman,
what did she do when the hour came for a great
sacrifice?
