way, and a pale, scared boy looked out 'Now, we're coming straight in, ar,' said Lady Froile. 'You are in into the red farm-wagon, and drove merrily around the hill. The little boy was bewildered, but very happy. grouble; and we are going to help Presently they came to a toll g

CHAPTER II.

So in they went, and looked about them. The cottage was damp and unclean, and full of evil amelia. But there was a fire burning and over it hung a black kettle, full of dark unvisioneme broth. Ledy Frolic went to this at once, and stirred it with an iron ledle which lay close by.

'Bahl' she exclaimed in diagnation of the boy's parents. And don't make any mistakes.'

Clovis consulted a compass which he drew from his pocket, and then looked intently through what seemed to be a apy-glass, having done this be turned a knob in the gate post nearest to him, and the next inviant the road which tay before them curved itself visibly in an entirely new direction. Sir Peter mapped his whip and the horses trouted rapidly along.

'There are spidate and toads in it, I know,' assessed the child, shudder-

and from a little basket at her side drew some fruit and sandwicks, which she gave him at ones to eat. He was a pretty boy, though pale, and congit him is her arms.

'You are some mother's darling, I think, 'she added gently. 'Tell me how you came here, my dear.'

So the little boy told how he had wandered away from his own dear home one day, and coming out in a some some day, and coming out in a some size of sight, down the Flexible Road on the processions of gratitude, she chirruped to the horses, and in a moment she lonely lane, was met by two dark, gypay-like people, a man and a woman. They lured him into the thick woods to flud red berries, and when of heart and woods to flud red berries, and when in less than ten minutes the merry is and then he called londly: 'Mammal'

A STANDARD MEDICAL WORK

A pale-faced larty came flying down the path at the sound of his voice, and congit him is her arms.

While she embraced him. Lady Froit told her briefly the story of all that had befallen him; and then, not waiting to receive all the mother's expressions of gratitude, she chirruped to the horses, and in a moment she and Sir Peter were rapidly driving out of sight, down the Flexible Road This road now curved itself afresh, and in less than ten minutes the merry gods to find red berries, and when in less than ten minutes the merry

there they took him by force and carried him a great many miles. After that they went a long way in a rough cart, and then still further over the water in a bost. Then they came deep into this forest to this lonely hut.

'So I never could find my own home again, even if I ran away,' sighed the little follow helplessly.

'We will see about that!' said Lady Frolic with a radiant smile. 'I know who has been at work here, and, I know how to baffle them. This old wizard and his wife did not know they were venturing on my domains. They will soon feel my power.'

Little and the mean old black crow, which they had not noticed before, but which they had not noticed before. The secence of Life is of greater value than all the medical works published in this cannot be not the problem of the mount of of the m
