Girls' Costumes.

In consequence of many requests we announce a new feature in our Ladies' Dept. — that of Young Girls' Costumes, and are showing a fine selection of the newest models in sizes from 10 to 15 years.

These Costumes are decidedly up-to-date, in Shepherd's Plaid, Serge and Gabardine, in Blues, Browns, Green and other colors. One—in Brown, has a beautifully pleated skirt, with belt and shoulder braces of self-material, finely tailored Coat with square collar of Brown Movie, piped Green.

This is only one of many equally attractive Costumes.

Stained with Cabot's Creosote Stains
Twenty-five Years of Proof
"I built a house 25 years ago and the same stings on to-day. Rebuilt another five years ago, and in each case Cabot's Creosote Stains in good shape. Carefully, I'm afraid to build without using it."
EDWIN F. GARMAN, Bellefonte, Pa.

Cabot's Creosote Stains saved him the expense of re-shingling and re-staining. They preserve the wood and hasten its beauty. You protect yourself from tawdry, fading colors and rotting shingles by being sure that Cabot's are used.
