music last night was splendid, the Band having their full team. The next concert takes place on Monday night at 8.20; the admission is only \$1.50. Attend Monday night and see the large crowd, and see for yourself, conducted.

There is an altogether new idea in girl's shoes now raging in America.

Bell Island Mines.

MEN GET INCREASE.

The 2,000 men now working on Bell Island have been given an wage of 21 cents for which they formerly worked. The Bell Island alind. mines are now booming as they never did before, and the average number of men at work each day is 1800. Ore will be shipped to Germany until January, and steamers leave the island every second day taking from 9th inst., at 8.30 p.m. JAS. A. 7000 to 11000 tons of ore each. The LEAHEY, Sec.—oct7,11 total quantity to be shipped to Germany is 100,000 tons. This ore is being mined, as the ore in the stock piles is not sufficiently high grade to satisfy the German markets.
