

On the death of one of England's most eminent physicians, all his efforts were sold by auction, and among other things was a sealed packet, marked "Advice to Physicians," which brought a great price. The purchaser on opening the packet, read as follows: "Keep the head cool, the bowels open and the feet warm." If physics is necessary, use *Parsons' Purgative Pills*; they are the most scientifically prepared pill that has appeared in the last hundred years.

The use of Tobacco causes indigestion, palpitation, slowness of intellect, a desire for strong drink, and an intermittent pulse; it destroys the vitality of the blood, produces dizziness, disturbs the sleep, makes a man miserable, and prematurely old. When the diseases are serious and stubborn, the best remedy is *Fellow's Compound Syrup of Hypophosphites*, as it restores circulation, the nervous ganglia, builds up the muscles, and induces healthy Liver, Heart, Stomach and Intellect.

Few people unacquainted with physiological chemistry are aware of the quantity of iron in the blood, but all should know the importance of keeping up the supply, for debility, disease and death are sure to follow when the quantity becomes too much reduced. The *Rorrarian Syrup* (a protoxide of iron) supplies this vital element, and has cured many chronic diseases.

**BREAKFAST—EPPS'S COCOA—GRATEFUL AND COMFORTING.**—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills.—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homoeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

Husband—What do these certificates amount to? They prove that Perry Davis' Pain-Killer is safe to use under any circumstances, and that it is only a Linctum to rub on Bruises, Cuts, Scalds, Burns, and external complaints with unfeigned relief, but that it has done miracles in curing Colic, Cramps, Spasms, Heartburn, Diarrhoea, Dysentery, Sour Stomach, Dyspepsia, Sick Headache, and also it was the Pain-Killer that cured John Spangler of the Fever and Ague; you know he had it for over a year.

Husband—Did it cure my Rheumatism about here? I am more interested in that than I am in fever and ague.

Wife—You had better go over to Judge Jones and see the certificates for yourself, there is no question but what they are convincing, and I don't think he has returned them yet to Providence, R.I., where Perry Davis & Son's head office is.

Husband—I am really getting interested in the Pain-Killer, my dear, and I will call on the Judge to-day, for my Rheumatism is quite unbearable.

Wife—The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Spasms, Sudden Colds and Bowel difficulties, a few drops in water will give immediate relief. As a linctum it is without an equal; it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

**FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES**

All life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital forces, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world.

Modern Chemistry has revealed the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This is substantially the basis on which *Fellows' Compound Syrup of Hypophosphites* is built, its direct action imparts to the Brain and Nervous System, and the Muscles, strengthening the Nerves, it causes the rapid distribution of vital Blood in the Muscular Organs of the body.

Restoring the Stagnant Heart and Liver, strengthening the Action of the Stomach and bowels, and enabling the Lungs to be fully inflated with Oxygen.

It is adapted for all cases of Weakness and exhaustion, whether arising from a Sedentary life, a tropical climate, or debility on any cause, and is efficacious in Pulmonary consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases.

As this is entirely distinct and different from any other preparation of Hypophosphites, be careful to ask for *Fellows' Syrup*, and take no other.
