ENJOY GOOD HEALTH AND SPIRITS BY DRINKING

# WOLFE'S Aromatic Schiedam

It is not only the most wholesome spirit obtainable as a stimulant for general use; it has a beneficial effect upon the liver, kidneys, and other organs as a pick-me-up, tonic or digestive.

Wolfe's Schnapps is always opportune. It is superior in every way to ordinary gin.

New Permanent Baseball Park Will be Built at Once

Agreement Reached With Exhibition Board for Decent Ball Yard

WILL BE READY JULY 17

WHAT do you think of it, fans?
We are going to have a real ball park here in Calgary, with a real grand stand, real bleachers and a real diamond. Sounds sort of fishy doesn't it, after these many years of leaky shacks which were called grandstands? but it's a fact, an honest to goodness fact. And all this is going to happen in the very near future and the place of operation will be Victoria park.

This season it was decided to go back to Victoria park, but because of the objections raised by the horsemen the promoters were prohibited from erecting the old grand stand inside the race track and so far this season the fans have had to be content with a long distance view of

veteran Western Canada league catcher, who has been with the Sox since the season opened.

Davidson's release is hardly in the nature of a "can." "Pop" has receiviled an offer to play with the Baker City club and as he considers that he would be better off playing in that league than he is here he asked Billy Hulen to release him and his request was granted. While the Sox manager considers that Davidson is a good catcher he thinks that Baker is better and had, even before "Pop" asked for his release, decided to work the young receiver for the biggest part of the season.

One of the men who should report today is a catcher and outfielder and Hulen intends working him alternately with Baker. Up to a late hour last night, neither Heinie Kruger nor the other three men who are on the way had reported but Hulen is quite confident that they will arrive this morning and be in the game today.

Once these players do get here Hulen will begin to wield the axe in earnest, at least five of the present Sox being booked for the trip back home or the bush, or both. Just who they will be cannot be stated at present but watch out for surprises.
