

MUNYON TO THE RESCUE

The Sick and Suffering Do Not Appeal to Him in Vain.

THE NUMBER CURED

Increases Each Day, Until a Record Has Been Made.

ASTONISHES EVERYBODY.

The Victims of Disease Who Have Been Restored to Health Bless the Name of Munyon.

Mr. A. Atkey, 49 Northcote avenue, Toronto, Canada, says: "I have been a constant sufferer for the last ten or fifteen years. At times I suffered severe pains in the stomach and chest. At other times it has taken the form of sourness of the stomach. Again intense spasms would occur. I have treated with a number of medical men, who all failed to effect a cure. I began taking Munyon's Dyspepsia Cure, and I can unhesitatingly say that the new treatment has acted wonderfully and I have vastly improved. The pains have disappeared and the depression after eating also. I must express my entire satisfaction with Munyon's Remedies."

Munyon's Rheumatic Cure seldom fails to relieve in one to three hours, and cures in a few days. Price, 25c.

Munyon's Gold Cure prevents pneumonia, and breaks up a cold in a few hours. Price, 25c.

Munyon's Cough Cure stops coughs, night sweats, allays soreness, and speedsily heals the lungs. Price, 25c.

Munyon's Kidney Cure speedsily cures all the back, loins or groin, and all forms of kidney diseases. Price, 25c.

Munyon's Nerve Cure stops nervousness and builds up the system. Price, 25c.

Munyon's Headache Cure stops headache in three minutes. Price, 25c.

Munyon's Pile Ointment positively cures all forms of piles. Price, 25c.

Munyon's Blood Cure eradicates all impurities of the blood. Price, 25c.

Munyon's Female Remedies are a boon to all women. Price, 25c.

Munyon's Catarrh Remedies never fail. The Catarrh Cure—price 25c—eradicates the disease from the system, and the Catarrh Tablets—price 25c—cleanse and heal the parts.

Munyon's Asthma Remedies relieve in three minutes and cure permanently. Price \$1.

Munyon's Vitalizer, a great tonic and restorer of vital strength to weak people. \$1.

A separate cure for each disease. At all druggists, mostly 25c a vial.

Personal letters to Prof. Munyon, 11 to 13 Albert street, Toronto, Ont., answered with free medical advice for any disease.

CAUTION TO THE PUBLIC.

Beware of imitators who are copying our advertising, appropriating our methods, and following the plan adopted by us when we introduced our remedies to the people of Ontario a year ago. You can easily distinguish between the original and the imitation. Prof. Munyon, founder of the new school of Homeopathy, does not desire that the public should be imposed upon.

FOOTBALL.

POOR SCRIMMAGE WORK LOST IT.

The Rugby football match between the London and St. Thomas Juniors on Saturday afternoon was probably the last of the season to be played at Tecumseh Park. Nearly 200 people were present, including 90 First Teamers, who came over to cheer their team to victory. The visitors, however, had it the best of the game, capturing the game, although strong in many points as the Londoners, yet they were lamentably weak in scrimmage plays. The London almost always secured the ball from scrimmage, and with clever combination work often made a gain of 40 or 50 yards. But in other ways the locals were weak, and despite the fact that they kept the pigskin almost continually near their opponents' goal line, they were unable to secure more than two touchdowns. In all the home team made 11 points; St. Thomas, 0. There were no accidents, and throughout the play was conducted in excellent spirit. The Londoners began with only thirteen men, but the balance of the team soon appeared. Capt. Pigott was greatly inconvenienced by a badly cut thumb. Frank Reid's work as referee was entirely satisfactory. The teams were as follows:

The return match will be played at St. Thomas on Thanksgiving Day.

THE GAME IS NOT BRUTAL.

Cambridge, Mass., Nov. 22.—Rev. Charles J. Cameron preached in the Fourth Presbyterian Church, Cambridge on "Athletics and Christianity." He said in part:

"There is a loud cry today in some quarters as to the brutality of football and other sports. As an old football player, I will say there is no brutality about football. Mark three things in regard to that game. First, for months the eyes of these men were fixed on a definite goal; second, to the reaching of that goal they have bent every nerve of mind and body. If for no other reason than this alone football and other athletic games are invaluable. Third, to reach that goal—with a wisdom that the wisest on earth cannot do better than imitate—they have been 'temperate in all things.' They have undergone the severest training, they have submitted to all manner of restrictions in food and manner of life, and in the end they have come on the field as nearly perfect men physically as they can be made. And that means mentally and morally sound also. The steps by which men rise to supreme moral and spiritual power are identical with those by which physical supremacy is reached. And to him who has eyes to see there is no more eloquent sermon than he reads on a football field."

ONE GOAL TO NONE.

A hotly-contested game of Association football was played on the asylum grounds on Saturday between teams representing the Grove and the asylum, which resulted in favor of the latter by 1 goal to 0. The teams lined up as follows:

WINDSOR TO PLAY IN THE FINAL.

In the association football game Saturday, Windsor won from Tilbury by a score of 5 to 1. This makes the Windsor eleven eligible in the final match with Essex for the championship of Western Ontario, which will be played at Windsor next Saturday. Gibson played a good game for the winners, while Hay was the star for Tilbury.

KICKS.

At Ottawa on Saturday Ottawa College defeated McGill in the final game in the special McGill-Montreal-Ottawa College series, and are thus champions of the Quebec Rugby Union. The college scored 11 points, while McGill failed to score.

At Hamilton on Saturday, in a practice game between Varsity II, winners of the Ontario intermediate championship, and the Hamilton Tigers, winners of the senior championship the score at the finish was Tigers 23, Varsity II, 6.

WHEEL.

A NON-PUNCTURABLE TIRE.

For many years the inventive mind has been turned toward the construction of a tire that could not be punctured, or was non-puncturable within reason. Some of them have contained armor composed of steel scales; others contained fluids which closed up the holes made by tacks, nails, or other things, but for some time nothing that is absolutely new has been patented until last week, when a tire with an inner tube of paper mache was placed upon the market. It is similar in size and outward appearance to the ordinary tire, and, it is claimed, has the same resiliency.

It is not pneumatic in the sense of containing air under pressure—for its resiliency comes from the elasticity of the paper mache core, which in addition renders the tire unpuncturable. So the inventor claims.

The advantages claimed by the inventor are that the material is of such a nature that it can be furnished for the inner tube at less expense than an inner rubber tube, that it has resiliency with small weight, that it is impervious to water, and that it is puncture-proof.

SPOKES.

President Potter states that all press dispatches and alleged information from other sources conveying the impression that he has recently favored local option on the Sunday racing question, are absolutely without foundation, and that he favors nothing of the kind.

Bicycles have been introduced into a convent in the suburbs of London, according to the Westminster Gazette, and the nuns are required to wheel around the grounds as part of their day's work.

CURLING.

WEIGHT OF STONES.

The announcement from Winnipeg that the Manitoba branch of the R. C. C. had decided to reduce the weight limit of curling stones in their jurisdiction from 30 to 45 pounds, is incorrect. A motion to that effect was made at a meeting held on the 13th inst., but objection was taken to springing such an important change in the constitution upon the club without due notice, and it was agreed to let it stand as a notice of motion to the semi-annual meeting in February next. The Manitoba and the Maritime branches of the R. C. C. and the Ontario Curling Association may come to a common understanding in this matter. They all deplore the lack of curling intercourse between the several associations in Canada. The Quebec Province branch club is in iron blocks weighing from 60 to 80 pounds are used, is one great obstacle separating the athletes in the Maritime Provinces from their stone-playing confreres in Ontario and the west.

BASEBALL.

FLYS.

Christ Von der Ahe says he is through with playing managers.

President Watkins of Pittsburg's club, is making a strong fight for Sunday ball games when the team is away from home.

Pitcher Lewis, of the Boston baseball team, recently preached a sermon in the Y.M.C.A. rooms in that city to quite a large congregation of the members.

Next year an error will be scored if a fielder drops a foul ball, whether the

batman gets a base or not. Another change is that if a runner attempts to steal second, and is assisted by a hit, the runner will be given credit for the steal if he gets the base.

THE TURF.

AT HAMILTON.

Hamilton, Nov. 22.—The race for members of the Hamilton Hunt Club for a silver cup Saturday afternoon was won by Dr. Osborne on Chimmie. Mr. Murray Hendrie on Sister Echo, finished second. Mr. R. B. Haddie's Silk Stockings started, but the rider was thrown near the finish.

CURING DYSPEPSIA

Is Simplicity Itself When Dodd's Dyspepsia Tablets Are Used.

Dodd's Dyspepsia Tablets don't cause feverish over-stimulation of the digestive organs. Their effect is to strengthen and reinvigorate the stomach, while they are digesting the food.

In effect, Dodd's Dyspepsia Tablets say to the worn-out exhausted stomach: "You take a day off. Let me do your work for a while; you just take it easy, and rest." Then they go to work, and the effect is marvelous.

The food is digested, dyspepsia disappears, indigestion, heartburn, sour stomach, etc., vanish. The stomach grows strong, healthy, vigorous, able to digest any food supplied to it. The blood becomes pure, the nerves that were shattered by indigestion or dyspepsia become steady and strong, and the irritable, fault-finding man or woman becomes pleasant, genial and sunny-minded. All because she or he used Dodd's Dyspepsia Tablets, and the smaller tablets that are in every box.

The manner in which these changes are made is simplicity itself. Dodd's Dyspepsia Tablets act in place of the stomach till the stomach regains its strength. At the same time they tone it up and nourish it.

Try the treatment yourself. Give your stomach a holiday. Give Dodd's Dyspepsia Tablets a change. They'll positively do the work.

Dodd's Dyspepsia Tablets, each box containing a full course treatment, for stomach and bowels are for sale by all druggists, or will be sent on receipt of price, 50 cents a box, by Dodd's Medicine Company, Limited, Toronto.
