The Wooden Anniversary of Summerholm

Concert and Tableaux in the Town Hall Last Night.

Whether it is the exalted air of the summer at Port Stanley are certainly not given over to the proverbial siestas and long hours of laziness and inaction a most popular little lady from Degreat convenience, and add much to the improvement of "Summerholm," "Happy Days," and the encore, which

and succeeded immensely. To Miss May Fraser, as usual, must much of the credit be due: not only were the feature of the evening's entertainment, but it was her combination of energy. good sense and fun, that made the whole thing seem like play from the Ladies whose efforts contributed equally to make the evening a success were Mrs. W. T. Strong, Miss Priddis.

and Miss Raymond; besides the number who contributed to a pleasant pro-The town hall, prettily decorated, was well filled, quite back to the doors, with a select audience out of doors tertainment through the open windows Senator Greene, of Springfield, was the chairman for the evening, and he gave

a brief and admirably-worded little It was not usual. Mr. Greene said, to call upon a stranger to give an adit being an English verge, more com- dress of the sort he was called upon to deliver, but he might be pardoned for no longer considering himself "a stranger within their gates," having been identified with Port Stanley 25 agree with him. Senator Greene then reminded them what the concert was for, and in the light of the benefit remarked that he would have liked to have seen a few more of his old friends,

The mysterious crackling of fire under a pot, which could no longer be disguised, and advised the audience of a gypsy camp somewhere in the near vicinity, led the chairman to open that the first piece on the programme would be a tableaux entitled Gypsy Encampment," whereupon the gentlemen who were told off on this auspicious occasion as stage managers -C. A. Stone, secretary of the Lon- and continued to perform this good about a slight catastrophe that necessi The tableau was a thing of beauty:

but it is well to pass right on to "Cherry Ripe," the next piece on the programme, which was received by all the small boys on the front bench (we always put them in the front row, under the eye of their parents, in Port tanev) with a groan of appreciation Without doubt, Miss Jean Labatt was the "piece de resistance" of the even ing: a serious, winsome, little maid,
