You surely won't stop at a dollar bill to cure that horrid, sniffling cold? Go to any druggist and get "Catarrho-zone" and your cold will be a thing of the past. There is almost witchery in the swift way Catarrhozone kills colds. But when you consider the penetrat-ing, healing and antiseptic qualities of Catarrhozone, perhaps it's not so won-derful. Certainly there is no remedy half so prompt for colds and catarrh as Catarrhozone. Refuse a substitute and insist on having only "Catarrho-zone,"
