Excursions to Western Canada.
The Grand Trunk Railway System announces that on Tuesdays, June 13 and 27, July 11 and 25, Aug. 8 and 22, Sept. 5 and 19, 1911, Homeseekers Excursions will be run from all stations in Ontario and Quebec to Western Canada, via Chicago and Duluth, or via Chicago, St. Paul and Minneapolis, at reduced round-trip fares.

The well-known double track line of the Grand Trunk from the east to Chicago appears to the traveler, and with the superior train service that is offered by this line, including the famous "International Limited," from Montreal daily at 9 a.m., and which is the finest and fastest train in Canada, many passengers will be attracted this way. The route via Chicago is a most interesting one, taking passengers through the principal cities and towns in Canada and in the States of Michigan and Indiana. In addition to this, a choice of seven lines between Chicago and St. Paul and Minneapolis is offered.

Owing to the great number of Canadians who reside in Chicago, St. Paul, Minneapolis, Duluth, and other cities en route, there is no doubt that the Grand Trunk will find many patrons who will take advantage of the opportunity thus afforded them for a brief visit at the stations with their friends.

Canadian citizens are exempt from so-called immigration examination, and there is no detention at any point. Baggage is carried through the United States in bond without requiring any special attention on the part of the passenger. Inspection is not necessary at any of the points at the border.

Another feature that will appeal to the homeseeker is the comfortable transfer at points like Chicago, St. Paul and Duluth into freshly ventilated, clean cars, avoiding the necessity of travelling a long distance in the same car.

In addition to the above routes, the sale of tickets is also authorized via Sarina, and the Northern Navigation Company's magnificent steamers, across Lake Huron and Lake Superior.

For further particulars apply to any agent of the Grand Trunk Railway System, or write to Mr. J. Quinlan, district passenger agent, Bonaventure station, Montreal; Mr. A. E. Duff, district passenger agent, Union station, Toronto; or Mr. R. E. Rose, C. P. & T. A., London.

GRAND RAPIDS PLANT BURNED.
Grand Rapids, Mich., July 20.—The grand stand at the track of the West Michigan fair grounds was destroyed by fire yesterday. This is the track on which the Grand Circuit races were to have been held next week. This probably means that the Grand Circuit will have to be postponed or called off altogether. The loss is estimated at \$50,000.
