

THE NOMINATIONS AT SOUTH RENFREW

The Hon. Mr. Graham and
Dr. Maloney Made the
Candidates.

Renfrew, Feb. 15.—The agreement signed by leading Liberals and Conservatives, and ratified by both parties, to let Hon. G. P. Graham be returned unopposed to the Federal House for South Renfrew, on condition that Mr. T. W. McGarry, M. P., was allowed an acclamation for the Legislature, has been broken in the letter. Dr. M. J. Maloney has been nominated in opposition to Mr. Graham, though Mr. McGarry was given his seat by acclamation. The nominations made today were: George Perry Graham, of Brockville, journalist, and Marvin J. Maloney, of Eganville, physician. Dr. Maloney's candidature is by one nomination paper from Renfrew district with 46 names, and one from Mr. Graham with 43 names. Hon. Mr. Graham was nominated on papers from Renfrew with 25 names attached; one from Arnprior with 27, and one from Township, also with 27. In addition Mr. Graham's candidature was supported by a list of 22 names from Killarney and Hagar Township, and another of 45 from Barry's Bay, 29 names from Chalmers Rapids and Raglan Township, thus making a total of 94 regular nominators and 106 additional supporters, as against Dr. Maloney's 89 regular nominators. The nominations proper were without feature, but a hitch between the two parties developed when it came to speaking afterwards, and for a period it looked as though trouble might result. It originated in the fact that the Liberals some weeks ago secured the O'Brien Opera House for nomination day, of the date of which they were at the time ignorant. A few days before it announced that Dr. Maloney's supporters rented the theatre for the 15th. Both sides claimed to have paid for the place, and accordingly both claimed the right to speak there, the Conservatives going so far as to issue posters announcing a meeting. Manager J. M. George, of the theatre, fearing disorder, then posted up a notice to the effect that it would not be open at all until after 7 o'clock. The nominating meeting was finally held in the market square.

ST. THOMAS SMITH'S PAINTINGS EXHIBITED

Works of the Famous Artist Are Highly
Appreciated in London.

A large number attended the exhibition of paintings by St. Thomas Smith, A.R.C.A., O.C.A., held under the auspices of the London Art Association in the art gallery of O. B. Graves Wednesday afternoon.
The work of St. Thomas Smith is characterized by the lifelike and realistic touches which he imparts to the motion of cloud and water in his pictures of the Orkney Islands, his marine paintings, and his paintings of the Scottish coast, with its quaint villages and rocks and storms. His storm pictures are exceptionally characteristic of faithful portrayal and in all his sketches the sky and water effects are truly wonderful. Sketches of English landscapes, Holland sketches, and one or two portraits are also noticeable in the fine showing of paintings which fill up several rooms. The exhibition will be open this afternoon again, and tea will be served after 4 o'clock.

It takes the steady nerve, the elastic step, the energetic body to meet modern conditions, and the quick mind grasps the fact that body and nerves must be properly nourished.

Weak, hesitating, doubting natures are those who lack vitality. Their kingdom is the crust or outer edge—the thin of things.

New York, Feb. 15.—Twenty-five thousand dollars in currency was stolen from a taxicab in the heart of the financial district this morning by two highwaymen, who sprang into the vehicle and overpowered W. F. Smith and Frank Wardell, messengers of the East River National Bank at 680 Broadway. Both messengers were very badly injured, and the robbers escaped with the money—\$15,000 in \$5 bills, and \$10,000 in \$100 bills. The currency was being transported from the Produce Exchange Bank in the lower part of the city.

SCARLET FEVER IS BEING STAMPED OUT

Epidemic Which Threatened Lobo
Checked by Prompt Action of the
Authorities.

[Special to The Advertiser.]
Vancouver, Feb. 15.—As a result of the strict quarantine which has been observed, it is now believed that a number of cases of scarlet fever which developed here in the last few weeks and had reached the epidemic stage, are under control. The authorities dealt promptly with the outbreak, and as a result no new cases have been reported in some time. The disease was of a mild type.
Real estate transfers have been unusually brisk lately. Mrs. Reginald Robinson has sold his farm on concession 5 of Lobo, to Mr. Peter G. McIntyre. Mr. John Noble, of concession 9, London Township, has sold his farm to Mr. R. T. Hughes, and will shortly leave for Saskatoon. Mr. Edgar Cameron, of London, has purchased the farm of Mr. John McArthur, on the 7th concession, Lobo, and it is stated that he will shortly erect a sawmill to cut the timber of which there is a large amount on the farm.
Owing to the very bad condition of the roads, the Ivan stage was unable to get through here recently.
A number of local Liberals are going in to London tomorrow to hear Newton Rowell speak.

FOR BETTER CONNECTIONS

Board of Trade Will Co-operate With
St. Marys, Aylmer and Other
Places.

The board of trade here will co-operate with St. Marys, Aylmer and other towns in securing better train connection with London.
At the present time a businessman in St. Marys can go to Toronto and back much easier than he can come into London. Consequently the residents of that town are complaining. They want a train to come into London in the morning, allow them to transact their business and get back by noon or shortly after. Similar conditions prevail so far as Aylmer, Simcoe and other towns in that district are concerned.
"We have been agitating for this for a year past," said President Dr. Harry T. Reason. "We did not succeed last year, but we are going to make renewed efforts to get justice from the railway companies. We will do everything in our power."

Zam-Buk For the Children

Mothers Tell What It Did for Their
Little Ones.

Thousands of mothers in Canada owe a debt of gratitude to Zam-Buk. Mrs. J. Guiding, of Ninette, Man., says: "My little boy was suffering very badly from a form of skin disease over his eye. I applied Zam-Buk to the affected parts, and in a very short time the sores were healed."
Mrs. F. Miners, of 311 Suffolk street, Guelph, Ont., says: "My little daughter Lorinda (6), contracted a skin disease. This first broke out like tiny water blisters, afterwards taking the form of dry scabs. These would disappear for a short time, and then reappear worse than ever. We tried Zam-Buk and perseverance with its use resulted in a cure."
All druggists and stores sell Zam-Buk at 50 cents a box or post free from Zam-Buk Company, Toronto, upon receipt of price.

FIVE GOING TO GALLOWES MAKE A LAST PLEA

Condemned Chicago Murderers
Ask Courts to Postpone
Their Execution.

[Canadian Press.]

Chicago, Feb. 15.—Five men condemned to be hanged for murder in the county jail here this morning, made final efforts through lawyers and friends to escape the gallows. The time for the executions had been set for the hours between 10 a.m. and 2 p.m. today.

Court proceedings in behalf of the four murderers of Fred Guelzow, the truck gardener, were scheduled in the supreme court at Springfield, and in the superior court here.

Judge Landis, in the United States district court, was prepared to hear the final plea of the lawyers in habeas corpus proceedings to save the life of Thomas Jennings, a negro, convicted of the murder of Clarence Miller, a railway clerk.

In this case the lawyers argued that the finger print evidence, which was the most damaging, was irregularly obtained, inasmuch as the man was compelled to practically give evidence against himself. The condemned men are: Ewald Shibusawa, 24 years old; Frank Sienkewski, 21 years old; Philip Sommerling, 24 years old; Thomas Schultz, 19 years old; Thos. Jennings (colored), 32 years old.

Two others were engaged in the murder of Fred Guelzow. They probably escaped the sentence of their fellows on account of their youth. Both were sent to the penitentiary for life. They were Frank Kite and Leo Suckomski, each 16 years old.

Guelzow, who had been married a little more than a year, pleaded with his assailants to take his money, but to spare his life for the sake of his wife and month old babe. Instead his slayers attacked him with clubs, knives and revolvers. After they had killed him they mutilated his body. They were arrested while trying to sell Guelzow's horses. The crime was committed Oct. 20, 1911. The six were found guilty Dec. 12.

THE HEBERT CASE

Expected That Judgment Will Be
Handed Out on Saturday.

[Canadian Press.]

Montreal, Feb. 15.—It is now practically certain that Judge Charbonneau will deliver his finding in the Hebert case on Saturday morning.

This information was handed out at the court house here this morning by a responsible official who would be in the know.

The hour at which the decision will be rendered is being carefully guarded, because the judge does not want a curious crowd in the court, which there certainly would be if the hour was announced, as a number of people have been hanging around the practice court every morning for weeks on the off chance that the judgment would be given out. It is also understood that Mrs. Hebert, should the decision be against her, has no intention of allowing the matter to rest where it is, but will authorize her lawyers to go on and carry the case to the privy council.

It was rumored here that Mrs. Hebert has disappeared. Her lawyers state that they know where she is, and that she can be produced in five minutes if she is wanted.
It is not likely that she will be present when the judgment is delivered, as her presence is not necessary, and her lawyers are anxious to spare her from the unpleasant attention she has already been subjected to on account of the fame of her case.

HUGHES TO RETIRE

Chief Public School Inspector of Toronto Ends Long Service.

Toronto, Feb. 15.—Chief Public School Inspector James L. Hughes will retire at midsummer. The board of education last night granted his request for this, and set the amount of his yearly allowance after retirement at \$2,000, which is half his present salary. Mr. Hughes' request came before the board in the form of an amendment to the report of the management committee and brought forth many expressions of regret that his long connection with the school system is to be severed. It was stated that his reason for wishing to give up active work was that he felt the time had come when he had earned a rest, and that his service now had not the vigor which marked it in former years.
