Be systematic if you are determined to develop the saving habit. Here are several plans which may help you to save money and get ahead financially:

Make an allowance for each class of expenses, and then plan to save something on each allowance. Make it a rule to set aside a certain per cent of your income on pay day. Consider that this per cent is insurance against the future. Look upon it as a debt which must be paid. As your income increases your savings will increase.

THIRD BOY GOES TO SCHOOL AT MIMICO

Found Guilty of Burglarizing a Local Church.

Police Magistrate Judd this morning sent the third of the trio of boys who burblarized the Southern Congregational Church on Horton street, to the Mimico Industrial School, the having been found guilty of having

been implicated in the affair. The other two were in the juvenile court yesterday, one being sent to Mimico and the other let off on suspended sentence, but because the third did not respond to a summons a warrant was issued for his arrest.

The boys a few days ago entered the Southern Congregational Church, through a rear window, and after forcing an inner door with a "jimmy," helped themselves to a quantity of old rubbers, which had been collected in a missionary campaign, and disposed of them to a local junk dealer.
