Oct. 2, in the Normal School, when Miss Blackburn will give a talk on her western trip, and describe the Canadian Club convention. CHAPTER III.

Brick Willock, galloping toward the southeast, frequently looked back. He saw the desperadoes leap upon their horses, wheel about in short circles that brought the animals upright, then spring forward in pursuit. He heard the shouting which, though far away, sounded the unmistakable accent of ungovernable fury. In the glaring moonlight he distinguished plainly the cloud of dust and sand raised by the borses, which the wind lifted in white shapes against the deep blue of the sky. Cook the rice and tomatoes with the stock in a double boiler until the rice is tender, removing the cover after the rice is cooked if there is too much liquid. Add the butter and stir it in with a fork to prevent the rice from being broken. A little catsup or Chili sauce with water enough to make three-quarters of a cup may be substituted for the tomatoes. This may be served as a border with meat, or served separately in the place of a vegetable, or may make the main dish at a meal, as it is savory and reasonably nutritious.

This dish presents an excellent way of using up small quantities of either cold beef or cold mutton. If fresh tomatoes are used, peel and slice them; if canned, drain off the liquid. Place a layer of tomato in a baking dish, then a layer of sliced meat, and over the two dredge flour, pepper, and salt; repeat until the dish is nearly full, then put in an extra layer of tomato and cover the whole with a layer of pastry or of bread or cracker crumbs.
