Superintendent Kirby is not optimistic of a flood of orders for hydro power, even with provincial aid in building the primary lines, and though many rural residents have been making inquiries, he points out that for house lighting alone the cost annually is about \$79.76, subject to a 10 per cent discount.

Would Cost \$80.26.

For light farm service, including house and barn lighting, an electric range and a 3-horsepower motor, the cost will be about \$80.26. With miscellaneous small equipment and electric range the cost would be about \$101.02. Superintendent Kirby was not very confident regarding the number of farmers who were likely to sign contracts, Although there is a fair percentage urging the installation, there will have to be some active campaigning.

NERVOUS, IRRITATION ALING WOMEN

Mrs. Britten Tells How She Was Restored To Health After Suffering for More Than A Year.

Another Triumph for Lydia E. Pinkham's Vegetable Compound

that it caused great pain, and this affected my mind and nerves so that I was very irritable. I had severe pains every month, so that I was often obliged to lie in bed for two days at a time. I suffered for more than a year before my friends said, 'Whydon't you try Lydia E. Pinkhad been neglected so long before my friends said, Why
don't you try Lydia E. Pinkham's Vegetable Compound?'
So I purchased one bottle
after another until I had
taken ten bottles, then Lydia
E. Pinkham's Sanative Wash. I received so much benefit from this treatment that I am new able to do my own, work."—Mrs. W. D. BRITTEN, R. No. 2, Dimondale, Mich. Another Michigan Woman says: "I was bothered for a long time with female troubles and

was so nervous I felt almost afraid at times. I also had a pain in my right side and was certainly in a bad way.
Lydia E, Pinkham's Vegetable Compound has relieved me of these nervous feelings and pains and I am much better in every way. I don't know just how many bottles I have taken, but I took it for nearly a year and it has done me a world of good."—Mrs. JESSIE

GRANGER, R. No. 8, Box 51, Kalamazoo, Michigan. Good health is a woman's greatest asset. With it she may be the inspiration of her husband, a happy mother, and the life of the home. Without it she suffers agonies herself, household duties are a burden, and her family is

made miserable by her condition. Is it any wonder that these women were nervous and irritable after suffering so long from such deranged conditions? Such ailments act directly upon the nerves, and it has been said that a large percentage of nervous prostration, nervous despondency, "the blues," and nervous irritabilty of women arise from some derangement of the female organism.

If women who are in this condition would only profit by the experience of thers and take Lydia E. Pinkham's Vegetable Compound at once, much suffering and unhappiness would be averted, as everyone knows a nervous, irritable, ailing mother makes the home unhappy and her condition irritates both husband and children.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.
